

DIVERSITY

For the most part, our students are nontraditional learners. The characteristics of our student body appear below.

METRIC	2015 2016
Enrollment	33,253
Female students	74%
Students over age 30	60%
Mean student income at enrollment	\$22,323
Mean number of risk factors*	3.7
Veterans	11%
Active military	10%
Spouses of active military	5%
Students with prior postsecondary education†	84%
Neither parent attended college	55%

* Risk factors include: student is older than typical college age (defined as ages 18 to 22), attends school part time, files taxes as independent, has earned a GED, works full time while enrolled, has legal dependents other than a spouse, and/or is a single parent.

† Data sources for 2015–2016 include attested prior postsecondary attendance, official and unofficial transcripts, and attendance records from the National Student Clearinghouse. Statistics produced prior to this year do not include National Student Clearinghouse as a data source.
