

Purdue University Global Program Availability Information

Purdue Global programs are available to residents of all 50 states, Guam, and the Commonwealth of Puerto Rico, with the exception of the enrollment restrictions noted below. The availability of certain Purdue Global GlobalTrack programs for which there is a comparable alternative program within the Purdue University system may also be restricted in certain states, or such programs may be available exclusively through specific partnerships; such University system restrictions apply neither to alumni of Purdue Global nor to competency-based offerings (ExcelTrack®).

Programs are eligible for Title IV federal financial aid unless indicated otherwise.

For Purdue Global state approvals and programmatic accreditation, see the [Accreditation, Approvals, and Memberships](#) page of the Purdue University Global Catalog.

Prospective and current students must review Purdue Global's [State Licensure and Certifications](#) site to view program and state-specific licensure information.

For information about the ExcelTrack®, GlobalTrack, and CustomTrack Purdue Global learning paths, see [Approach to Learning](#). For eligible programs, ExcelTrack is available exclusively on Academic Calendar C unless indicated otherwise.
