

## Purdue University Global Program Availability Information

Purdue Global programs are available to residents of all 50 states, Guam, and the Commonwealth of Puerto Rico, with the exception of the enrollment restrictions noted below. Additionally, the availability of certain Purdue Global standard track programs for which there is a comparable alternative program within the Purdue University system may be restricted in certain states; such University system restrictions apply neither to alumni of Purdue Global nor to competency-based offerings (ExcelTrack). For other program-specific information by state, see the [Accreditation, Approvals, and Memberships](#) page of the Purdue University Global Catalog.
