Purdue University Global Program Availability Information

Purdue Global programs are available to residents of all 50 states, Guam, and the Commonwealth of Puerto Rico, with the exception of the enrollment restrictions noted below. The availability of certain Purdue Global GlobalTrack programs for which there is a comparable alternative program within the Purdue University system may also be restricted in certain states; such University system restrictions apply neither to alumni of Purdue Global nor to competency-based offerings (ExcelTrack).

Programs are eligible for Title IV federal financial aid unless indicated otherwise.

For other program-specific information by state, see the Accreditation, Approvals, and Memberships page of the Purdue University Global Catalog.

For information about the ExcelTrack, GlobalTrack, and CustomTrack Purdue Global learning paths, see Approach to Learning.
