

**Bachelor of Science in**

# **APPLIED SUPPLY CHAIN MANAGEMENT**

## **Adapt to the Trends in Global Trade With a Career-Focused Degree**

Develop the practical skills to get ahead in the global supply chain industry. In a curriculum designed for career readiness, you'll explore modern topics affecting the industry, including autonomous robotics, trade regulations, and global sourcing strategies. Learn from professors who are practitioners in their fields and stay current on industry advancements. Purdue Global is also one of only a few online programs to offer real-time simulation training on supply chain software. It's your time to prepare for leadership roles in procurement, warehouse management, logistics, and more.

# Why Study Applied Supply Chain Management at Purdue Global?

## **Built for Working Adults**

Complete courses 100% online, without compromising your work or family schedule.

## **Backed by the Power of Purdue**

Earn a degree you can be proud of — and employers will respect. Achieve more in the field with a name that opens doors in your career.

## **Experience Counts as Credit**

It's time to get the credit you deserve. Our average bachelor's graduate saves an average of 50% on tuition with credit for prior learning.<sup>1</sup>

## **Customizable Degree Paths**

Work with your Advisor to choose elective courses in subject areas that further support your career goals.

## **Practical Experience You Can Count On**

Use real-world supply chain software and discuss the issues affecting the industry including robotics, rising costs, and regulation. You'll graduate ready to make an impact.

## **Expert Faculty**

Learn from professors who are practicing professionals in the field. All faculty possess advanced academic degrees.

## **Personal Support**

Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

## **Introductory Trial Period**

Make sure online learning at Purdue Global is right for you. Enroll in the University and try our undergraduate classes for 3 weeks — before you owe any tuition. That's the Purdue Global Commitment.<sup>2</sup>

## **An Education That's Proven and Respected**

Purdue Global is backed by Purdue University. One of the most prestigious universities in the world, Purdue ranked #16 overall and #1 in education among *Fast Company* magazine's prestigious World's Most Innovative Companies.<sup>4</sup>

### IMPORTANT INFORMATION: PLEASE READ

For comprehensive consumer information, visit [Info.PurdueGlobal.edu](https://Info.PurdueGlobal.edu).

<sup>1</sup> Purdue Global online bachelor's degree students who graduated in 2021–2022 and applied eligible prior learning (transfer, experiential, or credit by exam) credits saved an average of \$34,000 toward the total degree. Campus tuition and prior learning savings vary by location. Savings based on overall cost of completion without prior learning credit. Calculation based on total prior learning credit times standard cost per credit in student's program of study. Individual savings will vary. Calculation includes campus and military students. Purdue Global does not guarantee transferability of credit. See *University Catalog* for the Prior Learning policy. Source: Office of Reporting and Analysis, July 2022. 2021–2022 academic year.

<sup>2</sup> Students who inform Purdue Global they do not wish to pursue the program during the 3-week trial will not be charged. Students who choose to continue at Purdue Global will be billed for the full first term's tuition, including the 3-week trial, and will need to meet other specific requirements. Classes will be applied toward a degree if satisfactorily completed and students select to continue their studies at Purdue Global. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Graduate programs and BS in Professional Flight not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the *University Catalog*.

<sup>3</sup> Estimated graduation date is based on the assumption that you will enroll in time to begin classes on the next upcoming start date, will remain enrolled for each consecutive term, and will maintain satisfactory academic standing in each term to progress toward completion of your program. Completion time is based on a full-time schedule. Programs will take longer for part-time students to complete.

To start a Graduate Program Pathway, students should consult with their Student Advisor to confirm eligibility. Not all Graduate Program Pathways are available on all tracks, and some may require students to meet academic standards to continue taking graduate courses in their bachelor's degree program. Visit the *University Catalog* for more information.
