CONCENTRATIONS

You can specialize in one of the following optional concentration areas:

AUDITING-FORENSIC ACCOUNTANCY
Detect, recognize, and prevent specific types of fraud. Combine your accounting skills with law and investigative techniques to judge whether an activity is illegal. Work with law enforcement or lawyers, potentially serving as an expert witness during trials.

MANAGERIAL ACCOUNTANCY
Management accountants (also called cost, managerial, industrial, corporate, or private accountants) are responsible for financial report preparation, financial analyses, and cost accounting. Develop skills in strategic planning and budgeting, performance evaluation, and cost and asset management.

PUBLIC ACCOUNTANCY
Manage auditing, tax, and consulting for corporations, governments, nonprofit organizations, or individuals. Learn procedures to conduct comparisons in financial accounting and develop an understanding of cost accounting terminology and principles, cost classification, and manufacturing of inventories.

TAX ACCOUNTANCY
Learn to apply tax laws related to partnerships, S-corporations, C-corporations, not-for-profit and other business entities, estates, trusts, and multijurisdictional issues. Focus on tax reporting, tax planning, and tax research skills.

CURRICULUM

Our rigorous curriculum helps prepare you with knowledge of accounting theories and principles as they apply to the business world. The courses are reviewed and revised continually by our dedicated curriculum department and advisory board to ensure they reflect the most recent developments in the field.

PROGRAM OUTCOMES INCLUDE:

- **GAAP Application**: Apply the Generally Accepted Accounting Principles to business transactions and situations.

1 Purdue Global online bachelor’s degree students who graduated in 2019–2020 and applied eligible prior learning (transfer, experiential, or credit by exam) credits saved an average of $30,000 toward the total degree. Campus tuition and prior learning savings vary by location. Savings based on overall cost of completion without prior learning credit. Calculation based on total prior learning credit times standard cost per credit in student’s program of study. Individual savings will vary. Calculation includes campus and military students. Purdue Global does not guarantee transferability of credit. See University Catalog for the Prior Learning Assessment policy.

2 No financial obligation. Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.

4 To sit for the CPA exam, states require students to have obtained 150 semester hours or 225 quarter credit hours. This program is 180 quarter credit hours (120 semester hours). To be eligible to sit for the CPA exam, a student who has completed Purdue Global’s Bachelor of Science in Accounting would need to complete the University’s Master of Science in Accounting or its equivalent elsewhere. Licensing requirements to sit for the CPA exam vary from state to state. You should review your state’s educational requirements by visiting the National Association of State Boards of Accountancy website as well as your state’s CPA licensing requirements, which can be found at the Accountancy Licensing Library. Refer to Licensure.PurdueGlobal.edu for additional information on licensure and state authorizations.

5 Certified Financial Planner Board of Standards Inc. owns the certification marks CFP®, Certified Financial Planner™, and federally registered CFP (with flame design) in the U.S., which it awards to individuals who successfully complete CFP Board’s initial and ongoing certification requirements.
