Letter From the Dean

At Purdue Global’s School of Business and Information Technology, today’s students become tomorrow’s leaders. Come back and move your career forward with a respected degree that maximizes your talent and sets you up for success in the global economy.

We blend theory and practice to help you gain knowledge and skills for both immediate career application and long-term career success. In addition, we emphasize hands-on, real-world skills that you can take from classroom to career — a degree is important, but a degree becomes powerful when you know how to apply what you learn. Our courses emphasize strategic thinking and relationship building across emerging markets and diverse cultures to help prepare you for leadership in an increasingly global marketplace.

Purdue Global faculty members are both teachers and practitioners, bringing knowledge from the business frontier. Most are active in their fields, publish regularly in peer-reviewed publications, and hold doctorate degrees — experienced thought leaders dedicated to your success.

The School of Business and Information Technology offers you opportunities to network and interact with fellow students and faculty members through special events and course activities. Purdue Global offers a wide variety of student clubs and honor societies, including prestigious groups such as Ambassadors and Leaders, Golden Key International Honour Society, and the Business and Management Student Association. Ours is a community of dedicated students from around the world, committed to educational and career growth.

I am very proud of our business programs. If you are looking for the right blend of business theory and application to empower you for a global impact, you have found the right place. I look forward to welcoming you.

Jeffrey M. Buck, PhD
Dean, Purdue Global
School of Business and Information Technology

Meet the Dean

Jeffrey Buck brings more than 20 years of teaching and higher education administration experience to his role as dean of the School of Business and Information Technology. As a faculty member, Buck earned tenure as a marketing professor and taught internationally in Lithuania. In addition, Buck has extensive experience at the director and executive levels in higher education, primarily working with adult and graduate programs. In his leadership roles, he has championed the development and implementation of several academic initiatives to include an online Master of Business Administration (MBA) program, post and pre-MBA certificate programs, a concurrent MBA/Master of Science in Technology (MST) program, a joint MBA/Master of Science in Nursing (MSN) program, and an MBA program designed for Filipino nurses.

Buck maintains an active research agenda. His current research interests include organizational commitment, services marketing, and factors impacting adult student satisfaction and success. He has been published in academic journals such as Innovative Higher Education and the Journal of Applied Business and Economics.

Buck is active with the Accreditation Council for Business Schools and Programs (ACBSP), having held and continuing to hold a variety of leadership positions at the regional and national levels. Buck served in the U.S. Army and has a daughter currently serving in the U.S. Air Force.
