This is your moment — your opportunity to get ahead and stand out in your field with an online degree from Purdue Global. Prepare to lead with impact and gain the skills employers are looking for, such as identifying complex problems, implementing solutions, making sound decisions, and leading teams and organizations through constant change. Whether you’re looking to advance in your current career or pivot into a new profession, Purdue Global is here to make your comeback real.
Why Study Management at Purdue Global?

**Built for Working Adults**
Complete courses online, without compromising your work or family schedule.

**Backed by the Power of Purdue**
Earn a degree you can be proud of — and one that employers will respect. Achieve more in the business field with a name that opens doors in your career.

**Practical Experience**
Gain relevant, practical skills and immediately apply the concepts you learn in the classroom to tackle real challenges in the business world.

**Career-Focused Concentrations**
Prepare for top roles in growing sectors with a concentration in global business, health care management, human resources, information technology, leadership, military leadership, organizational design and development, or project management.

**Faculty Expertise**
Learn from experienced faculty who are practicing professionals in the fields of business and education. All professors possess advanced academic degrees.

**Personal Support**
Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

---

**BUILD THE CORE SKILLS AND COMPETENCIES THAT EMPLOYERS DEMAND**

- Develop a personal leadership and management style for diverse situations.
- Assess the impact of theory on the practice of management and evaluate organizational decisions.
- Apply management best practices to effect innovative change.
- Evaluate the ethical and social implications of business decisions in a global context.

---

“It has been extremely beneficial to pursue a degree while working full time, as it has given me hands-on experience and scenarios to assess the knowledge I’ve gained. The degree has prepared me to not only be a successful leader or manager, but a critical thinker and a lifelong learner.”

Kaley Grosse
MS in Management and Leadership Graduate

---
