LETTER FROM THE DEAN

At Purdue University Global’s School of Business and Information Technology, we know that it takes more than a degree to be successful in your career. Our goal is to help you gain both the knowledge and the skills to pursue career advancement. Our faculty members are dedicated teachers and experienced professionals, bringing you real-world expertise from the business frontier. Our courses emphasize development of project management, communication, decision-making, teamwork, and problem-solving skills—all keys to a successful career.

The School of Business and Information Technology offers you opportunities to network and interact with students, faculty, and industry leaders. Purdue Global offers a wide variety of student clubs and honor societies, including prestigious groups such as Ambassadors and Leaders, Golden Key International Honour Society, and the Business and Management Student Association.

I am very proud of our business programs. If you are looking for the right blend of practical skills and knowledge to help you advance your career, you have found the right place. I look forward to welcoming you.

Jeffrey M. Buck, PhD
Dean and Vice President, Purdue University Global School of Business and Information Technology

MEET THE DEAN

Jeffrey Buck brings more than 20 years of teaching and higher education administration experience to his role as dean of the School of Business and Information Technology. As a faculty member, he earned tenure as a marketing professor and taught internationally in Lithuania. In addition, Buck has extensive experience at the director and executive levels in higher education, primarily working with adult and graduate programs. In his leadership roles, he has championed the development and implementation of several academic initiatives to include an online Master of Business Administration (MBA) program, post- and pre-MBA certificate programs, a concurrent MBA/Master of Science in Technology (MST) program, a joint MBA/Master of Science in Nursing (MSN) program, and an MBA program designed for Filipino nurses.

Buck maintains an active research agenda. His current research interests include organizational commitment, services marketing, and factors impacting adult student satisfaction and success. He has been published in academic journals such as Innovative Higher Education and the Journal of Applied Business and Economics.

Buck is active with the Accreditation Council for Business Schools and Programs (ACBSP), having held and continuing to hold a variety of leadership positions at the regional and national levels. Buck served in the U.S. Army and has a daughter currently serving in the U.S. Air Force.
