Bachelor of Science in COMMUNICATION

Come Back Stronger and Move Your Career Forward

This is your time. Your moment. With a communication degree from Purdue Global, you’ll be prepared for real opportunities in a wide range of fields. Our bachelor’s curriculum covers in-demand topics like conflict management, persuasion, diversity, new and emerging technology, and strategic communications. Become a powerful communicator ready to advance your goals, your career, and your life.
Why Study Communication at Purdue Global?

**Built for Working Adults**
Complete courses online, without compromising your work or family schedule.

**Backed by the Power of Purdue**
Earn a degree you can be proud of — and one that employers will respect. Achieve more in your field with a name that opens doors in your career.

**Your Experience Counts as College Credit**
It’s time to get the recognition you deserve. Use prior coursework, work experience, or military training to graduate sooner.¹

**Personalized Degree**
Gain the specialized expertise that gets you the career you want. Choose from concentrations in public relations, digital communication, and business foundations. Or pick your own electives in areas such as technical communication, political communication, leadership, sales, entrepreneurship, and human resources.

**Expert Faculty**
Learn from communications professionals with the real-world experience to know what it takes to make it in your field. All faculty possess advanced academic degrees and relevant industry credentials.

**Personal Support**
Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

**Introductory Trial Period**
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks — before you owe any tuition. That's the Purdue Global Commitment.²

**Nationally Ranked and Respected**
Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by The Wall Street Journal/Times Higher Education.³

**Take the Next Step in Your Education and Your Career**

**Gain the Core Skills and Competencies Employers Demand**
Become a valuable asset to any organization. Depending on your field and role, equip yourself to perform the following types of job functions:

- Create presentations and develop dynamic, interactive multimedia presentations.
- Incorporate the latest technologies, media, and software to communicate effectively.
- Write technical materials, such as appendices, user guides, or instruction manuals.
- Plan promotional campaigns within an organization or for the public.
- Understand the effects of technology, government and industry regulation, and legal and ethical issues in communication.
- Introduce new company initiatives, lead discussions, and answer questions.
- Plan and manage public events and appearances.
- Communicate with the media; respond to requests for information.

---

**ACCELERATED MASTER’S DEGREE OPTION**
Complete both your bachelor’s and master’s degrees in less time and at a lower cost than completing both programs separately. While you earn your bachelor’s degree, you can work toward a Purdue Global master’s degree in one of the following areas:

- Criminal Justice
- Education
- Educational Psychology
- Higher Education
- Homeland Security and Emergency Management
- Human Services
- Instructional Design and Technology
- Legal Studies
- Public Administration
- Psychology
Curriculum

The comprehensive curriculum prepares you with the strong oral, written, and interpersonal skills needed to become an effective communicator in today’s competitive, global workplace. Courses are reviewed and revised regularly by industry experts to ensure they reflect the most recent developments and practices in the field.

Course Topics Include:

- Mass media and broadcasting
- Interpersonal communications
- Communication research skills
- Public speaking for the professional
- Technical communication
- Introduction to psychology
- Communicating in a diverse society
- Tools for the digital age
- Group dynamics and team building
- Communicating persuasively
- Organizational communication
- Strategic communication

You have the option of specializing your degree with one of the following concentrations:

Business Foundations Concentration
- Gain competencies in the fundamental concepts of business administration. Develop an understanding of the four functions of management, the components of a marketing strategy, and the financial performance of an organization.

Digital Communication Concentration
- Learn to write, communicate, and market for the digital space.
- Utilize a variety of multimedia, learn to develop a successful digital marketing strategy, and apply digital communication knowledge and tools to produce effective digital communication content.

Public Relations Concentration
- Gain the communications skills to help you build beneficial relationships, influence a wider audience.
- Learn to further your organization’s public image.

Capstone Project
The program culminates in a final capstone project, which gives you the opportunity to demonstrate your mastery of course material by applying it to real-world communications challenges.
