

Bachelor of Science in

EARLY CHILDHOOD ADMINISTRATION

Come Back Stronger. Move Your Education Career Forward.

Are you ready to make a difference in the lives of our youngest learners? This is your time. Your moment. Earn your bachelor's degree and meet the demand for talented professionals equipped to provide developmental and learning opportunities for children ages 0–8. Our program prepares you to pursue nonlicensure teaching positions in early childhood centers,¹ or to take on administrative, leadership, or ownership roles. Take the next step in your life and your career.

Why Study Early Childhood Education at Purdue Global?

Built for Working Adults

Complete courses online, without compromising your work or family schedule. You'll also gain practical experience through hands-on field components in an early childhood environment.

Backed by the Power of Purdue

Earn a degree you can be proud of — and one that employers will respect. Achieve more in the early childhood administration field with a name that opens doors in your career.

Your Experience Counts as College Credit

It's time to get the recognition you deserve. Transfer up to 75% of your degree requirements to graduate sooner and save on tuition.²

Affordable Tuition

You can lower the cost of your education through military tuition reductions, employer reimbursement options, transfer credit, and more.³ Our average bachelor's graduate saves 50% on tuition with credit for prior learning.⁴ You're worth the investment.

Expert Faculty

Learn from early childhood education professionals with the real-world experience to know what it takes to succeed in the field. All faculty possess advanced academic degrees and relevant industry credentials.

Personal Support

Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

Introductory Trial Period

Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks — before you owe any tuition. That's the Purdue Global Commitment.⁵

An Education That's Proven and Respected

Purdue Global is backed by Purdue University. One of the most prestigious universities in the world, Purdue ranked #16 overall and #1 in education among *Fast Company* magazine's prestigious **World's Most Innovative Companies**.⁶

Prepare for the Child Development Associate Credential⁷

The course CE101: Introduction to Early Childhood Education meets the 10 hours of training in each of the eight Child Development Associate (CDA) subject areas that are required for the highly regarded CDA credential. The eight areas include:

- Planning a safe and healthy learning environment
- Advancing children's physical and intellectual development
- Supporting children's social and emotional development
- Building productive relationships with families
- Managing an effective program operation
- Maintaining a commitment to professionalism
- Observing and recording children's behavior
- Understanding the principles of child development and learning

Many states require the CDA credential for those who wish to take on the role of director of child development.

If you already hold a valid and current CDA credential, (preschool, infant-toddler, or family child care) you may be eligible to receive this credit:

| PURDUE GLOBAL COURSE | QUARTER CREDITS |
|---|-----------------|
| CE101—Introduction to Early Childhood Education | 5 |
| CE114—Early Childhood Development | 5 |
| CE220—Child Safety, Nutrition, and Health | 5 |

For more information on the CDA, see the Council for Professional Recognition website.

Curriculum

Our comprehensive curriculum blends multiple disciplines. The courses are reviewed and revised regularly by industry experts to ensure they reflect the most recent developments and practices in the field of early childhood education.

Courses Include:

- Early Childhood Development
- Early Childhood Curriculum Planning
- Child Safety, Nutrition, and Health
- Young Children With Special Needs
- Human Resource Management
- Introduction to Psychology
- Child and Adolescent Psychology
- Observation and Assessment in Early Childhood
- Funding Development and Financial Planning in Early Childhood Programs
- Early Childhood Administration
- Current Issues and Trends in Early Childhood
- Early Childhood Family, Community, and Advocacy
- Organizational Communication

Capstone Course

The program culminates in a final capstone, which gives you the opportunity to apply the skills and concepts you study online to real-world early learning scenarios. As part of it, you will complete a 5-hour field component in a Head Start, Early Head Start, or daycare/preschool working with young children. This is also a great opportunity to develop resources that you can use in your future career.

¹ This program will not certify graduates to become licensed teachers, is not intended for individuals who are pursuing a license to teach early childhood education in a public or accredited private elementary school, is not represented as meeting specific state Board of Education criteria for assisting with children and teachers in a public school setting, and was not designed to meet any state-specific requirements for licensure or certification. Refer to licensure.purdueglobal.edu for state-specific licensure information.

² Purdue Global does not guarantee transferability of credit. See the University Catalog for the Prior Learning policy.

³ May not be combined with other Purdue Global tuition reductions or ExcelTrack® pricing.

⁴ Purdue Global online bachelor's degree students who graduated in 2021-2022 and applied eligible prior learning (transfer, experiential, or credit by exam) credits saved an average of \$34,000 toward the total degree. Campus tuition and prior learning savings vary by location. Savings based on overall cost of completion without prior learning credit. Calculation based on total prior learning credit times standard cost per credit in student's program of study. Individual savings will vary. Calculation includes campus and military students. Purdue Global does not guarantee transferability of credit. See University Catalog for the Prior Learning policy. Source: Office of Reporting and Analysis, July 2022. 2021-2022 academic year.

⁵ Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.
