Bachelor of Science in
EARLY CHILDHOOD ADMINISTRATION

Are you ready to make a difference in the lives of our youngest learners? This is your time. Your moment. Earn your bachelor’s degree and meet the demand for talented professionals equipped to provide developmental and learning opportunities for children ages 0–8. Our program prepares you to pursue nonlicensure teaching positions in early childhood centers, or to take on administrative, leadership, or ownership roles. Take the next step in your life and your career.
Why Study Early Childhood Education at Purdue Global?

**Built for Working Adults**
Complete courses online, without compromising your work or family schedule. You’ll also gain practical experience through hands-on field components in an early childhood environment.

**Backed by the Power of Purdue**
Earn a degree you can be proud of — and one that employers will respect. Achieve more in the early childhood administration field with a name that opens doors in your career.

**Your Experience Counts as College Credit**
It’s time to get the recognition you deserve. Transfer up to 75% of your degree requirements to graduate sooner and save on tuition.²

**Affordable Tuition**
You can lower the cost of your education through military tuition reductions, employer reimbursement options, transfer credit, and more.² Our average bachelor’s graduate saves 50% on tuition with credit for prior learning.⁴ You’re worth the investment.

**Personal Support**
Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

**Introductory Trial Period**
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks — before you owe any tuition. That’s the Purdue Global Commitment.⁵

**Nationally Ranked and Respected**
Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by The Wall Street Journal/Times Higher Education.⁶

Take the Next Step in Your Education and Your Career

**Prepare for the CDA Credential**

Our program is designed to meet the education training requirements for the highly regarded Child Development Associate (CDA) Credential™. Many states require the CDA Credential for those who wish to take on the role of director of child development.

**Gain the Core Skills and Competencies Needed to Advance in This Field**

- Apply knowledge of child development and learning theory.
- Develop, plan, and implement strategies for building family and community relationships.
- Evaluate developmentally appropriate observation and assessment techniques to inform instructional planning.
- Evaluate principles, tools, and practices to create effective learning environments.
- Understand the importance of individuality and cultural diversity of children and their families to learning and development.
- Plan and manage budgets of early childhood programs.
- Recruit, motivate, and evaluate the best-qualified staff members.
- Demonstrate the communication and leadership skills of an early childhood administrator.

---

**ACCELERATED MASTER’S DEGREE OPTION**

Complete both your bachelor’s and master’s degrees in less time and at a lower cost than completing both programs separately. While you earn your bachelor’s degree,⁴ you can work toward a Purdue Global master’s degree in one of the following areas:

- Applied Behavior Analysis
- Criminal Justice
- Education
- Educational Psychology
- Higher Education
- Homeland Security and Emergency Management
- Human Services
- Instructional Design and Technology
- Legal Studies
- Psychology
- Public Administration
Curriculum

Our comprehensive curriculum blends multiple disciplines. The courses are reviewed and revised regularly by industry experts to ensure they reflect the most recent developments and practices in the field of early childhood education.

Courses Include:

- Early Childhood Development
- Early Childhood Curriculum Planning
- Child Safety, Nutrition, and Health
- Young Children With Special Needs
- Human Resource Management
- Introduction to Psychology
- Child and Adolescent Psychology
- Observation and Assessment in Early Childhood
- Funding Development and Financial Planning in Early Childhood Programs
- Early Childhood Administration
- Current Issues and Trends in Early Childhood
- Early Childhood Family, Community, and Advocacy
- Organizational Communication

Capstone Course

The program culminates in a final capstone, which gives you the opportunity to apply the skills and concepts you study online to real-world early learning scenarios. As part of it, you will complete a 5-hour field component in a Head Start, Early Head Start, or daycare/preschool working with young children. This is also a great opportunity to develop resources that you can use in your future career.

IMPORTANT INFORMATION: PLEASE READ

For comprehensive consumer information, visit info.purdubglobal.edu.

1. This program will not certify graduates to become licensed teachers, is not intended for individuals who are pursuing a license to teach early childhood education in a public or accredited private elementary school, is not represented as meeting specific state Board of Education criteria for assisting with children and teachers in a public school setting, and was not designed to meet any state-specific requirements for licensure or certification. Refer to licensure.purdubglobal.edu for state-specific licensure information.

2. Purdue Global does not guarantee transferability of credit. See the University Catalog for the Prior Learning policy.

3. May not be combined with other Purdue Global tuition reductions or ExcelTrack® pricing.

4. Purdue Global online bachelor’s degree students who graduated in 2021-2022 and applied eligible prior learning (transfer, experiential, or credit by exam) credits saved an average of $34,000 toward the total degree. Campus tuition and prior learning savings vary by location. Savings based on overall cost of completion without prior learning credit. Calculation based on total prior learning credit times standard cost per credit in student’s program of study. Individual savings will vary. Calculation includes campus and military students. Purdue Global does not guarantee transferability of credit. See University Catalog for the Prior Learning policy. Source: Office of Reporting and Analysis, July 2022. 2021-2022 academic year.

5. Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.

7. Students are responsible for understanding the requirements of optional certification exams. The University cannot guarantee students will be eligible to sit for or pass exams. In some cases, work experience, additional coursework beyond the Purdue Global program, fieldwork, and/or background checks may be necessary to be eligible to take or to successfully pass the exams.

8. The University cannot guarantee that students will be granted admission to any future programs. Speak to an Advisor about admissions requirements and transfer credit opportunities and see the University Catalog.

9. The average completion time for Purdue Global online bachelor’s degree students who graduated in the 2021-2022 academic year was 2.1 years.

11. Purdue Global cannot guarantee employment or career advancement. Additional training or certification may be required. In addition, job titles and responsibilities may vary by organization.
