2 Purdue Global cannot recommend students who complete the Master of Arts in Teaching (MAT) for licensure. Licensing requirements for teaching grades 5-12 vary by state. Earning a master’s degree could provide you with the background and practical experience to meet nationally recognized standards; however, enrollment in the MAT is not required for pursuing a state alternative certification program. Purdue Global’s MAT is not accredited by the Council for the Accreditation of Educator Preparation (CAEP), which may be a requirement for certification or licensure in some states. The program is not state approved for teacher certification or endorsements of any kind, and Purdue Global makes no representations or warranties as to whether the degree or any individual courses meet any specific state’s requirements for licensure or certification. Refer to Licensure.PurdueGlobal.edu for additional information on licensure and state authorizations.

3 Students must pass the American Board examinations to be eligible for certification in AR, AZ, FL, ID, MS, MO, ND, NH, OH, OK, PA, SC, TN (Putnam County Public Schools, Crockett County Public Schools, and Tullahoma City Public Schools only), UT, or WI. Prior to enrolling in the Classroom Pathways Bundle, students must confirm they are eligible for a state alternative certification program. Students must confirm costs, deadlines, additional fees, required approvals, residency, and continuing requirements with American Board (ABCTE.org).
