CURRICULUM

Our program is designed to help those interested in advancing or starting a career in K-12 education become well versed in academic content, application and theory, assessment, professional responsibilities, and professional relationships. Courses are reviewed and revised regularly by industry experts to ensure they reflect the most recent developments in the field of education.

CORE COURSES INCLUDE:
- Transforming Teaching Practice
- Research Methods for Education and Instructional Technology
- Classroom Management
- Curriculum Design
- Educational Leadership
- Student Assessment

CONCENTRATIONS
Customize your degree to develop specialized expertise in one of the following areas:

Teaching Literacy and Language (46 Credits)
Focus on developing curricula at the elementary and secondary levels in accordance with the National Council of Teachers of English (NCTE) standards. Develop skills for teaching basic reading and writing skills to elementary, middle, and high school students.

Teaching Students With Special Needs (46 Credits)
Examine best practices and methods for adapting curricula to accommodate children with learning disabilities and behavioral disorders. Focus on interventions, transition planning, and complying with federal, state, and local requirements.

Educational Leadership (54 Credits)
Prepare to improve the school environment for students, teachers, and the community; enhance student learning; and follow nationally recognized standards. Examine best practices for school finance and operations, legal issues in education, curriculum development, and supervision and staff development. In addition, focus on special needs, diversity, and cultural concerns.

ALTERNATIVE CERTIFICATION
Career changers interested in becoming a teacher can pursue a pathway to certification in some states. The Master of Science in Education Classroom Pathways Bundle is an enrollment package that combines Purdue Global’s Master of Science in Education with the American Board for Certification of Teacher Excellence (American Board) Plus Program. American Board’s Plus Program is a state-approved route to teacher certification in several states.
