Bachelor of Science in

FIRE AND EMERGENCY MANAGEMENT

Come Back Stronger, Ready to Move Your Career Forward

Protecting society is more than a career — it’s a calling. And this is your time to answer the call. Environmental disasters, terrorism, espionage — threats like these make headlines every day, and they demand dedicated professionals skilled enough to manage them. Our program equips you to do just that. Prepare for leadership roles managing modern fire, EMS, and emergency preparedness agencies, or to take on new and emerging opportunities in areas such as human resources, technology, and fiscal responsibility.

The degree program is closely based on the Fire and Emergency Services Higher Education (FESHE) curriculum model and is accredited by the International Fire Service Accreditation Congress (IFSAC).
Why Study Fire and Emergency Management at Purdue Global?

Built for Working Adults
Complete courses online, without compromising your work or family schedule.

Backed by the Power of Purdue
Earn a degree you can be proud of — and one that employers will respect. Achieve more in the fire and emergency management field with a name that opens doors in your career.

Your Experience and Certifications Count as Credit
It’s time to get the recognition you deserve. Receive credit for up to 75% of your degree for prior coursework, professional learning, and certifications. We work closely with fire academies and fire service associations to make earning your degree more affordable and efficient.

IAFF Partnership and Tuition Reduction
Purdue Global partners with the International Association of Fire Fighters (IAFF) to provide members, staff, and immediate family members a significant tuition reduction.

Faculty Are Experts in the Field
Learn from experienced professionals with a variety of backgrounds in public safety, emergency management, and fire services. Many currently work in the field — they understand your career requirements, the challenges you face, and what it takes to get ahead.

Personal Support
Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

Introductory Trial Period
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks — before you owe any tuition. That’s the Purdue Global Commitment.

Nationally Ranked and Respected
Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by The Wall Street Journal/Times Higher Education.

Prepare for Leadership Opportunities
The general public and government appointees are demanding higher levels of training and education for those who lead our nation’s first response teams during catastrophic disasters, terrorist incidents, and typical emergencies. Prepare to meet this demand.

Take The Next Step in Your Career and Your Education

ACCELERATED MASTER’S DEGREE OPTION
Complete both your bachelor’s and master’s degrees in less time and at a lower cost than completing both programs separately. While you earn your bachelor’s degree, you can work toward a Purdue Global master’s degree in one of the following areas:

- Criminal Justice
- Education
- Educational Psychology
- Higher Education
- Homeland Security and Emergency Management
- Human Services
- Instructional Design and Technology
- Legal Studies
- Public Administration
- Psychology
Curriculum

The career-focused curriculum is designed for emergency services personnel who want to increase their administrative and management knowledge. The courses are reviewed and revised continually by industry experts to ensure they reflect the most recent developments in the field.

**Course Topics Include:**
- Preparedness and planning
- Crisis management in terrorist attacks and disasters
- Community risk reduction
- Recovery practices
- Fire prevention, organization, and management
- Political, ethical, and legal foundations of emergency services
- Leadership and management
- Personnel and human resources management
- Mitigation and risk assessment
- Disaster policy

**Business Foundations Concentration**
- Gain competencies in the fundamental concepts of business administration. Develop an understanding of the four functions of management, the components of a marketing strategy, and the financial performance of an organization.

**Capstone Project**
A final, hands-on capstone allows you to build your resume, gain real-world skills, and put your knowledge into action.
