BACHELOR OF SCIENCE IN FIRE SCIENCE

PROTECTING SOCIETY IS MORE THAN A CAREER—IT’S A CALLING

The field of fire science demands dedicated professionals equipped with the expertise and experience to take on new challenges, lead others, and serve the public. Purdue University Global’s bachelor’s degree offers in-depth knowledge of rapidly changing technologies, tactics, and procedures, with a focus on interagency coordination, fire incident command, arson investigation, and life safety education. The degree program is closely based on the Fire and Emergency Services Higher Education (FESHE) curriculum model and is accredited by the International Fire Service Accreditation Congress (IFSAC).
WHY STUDY FIRE SCIENCE AT PURDUE GLOBAL?

ONLINE FLEXIBILITY FOR WORKING ADULTS
Earn your degree 100% online, on your schedule. This program is ideal if you’re in the fire science or emergency management field and work unconventional hours. You can also visit one of our regional locations to take advantage of local, onsite support and services.

FACULTY ARE EXPERTS IN THE FIELD
Learn from experienced professionals with a variety of backgrounds in public safety, emergency management, and firefighting. Many currently work in fire safety—they understand your career requirements and the challenges you face.

CREDIT FOR YOUR EXPERIENCE AND INDUSTRY CERTIFICATIONS
Receive credit for previously completed courses, professional learning, and certifications. We work closely with fire academies and fire service associations to make earning your degree as affordable and efficient as possible.

INTRODUCTORY TRIAL PERIOD
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks before you owe any tuition. That’s the Purdue Global Commitment.

IAFF PARTNERSHIP AND TUITION REDUCTION
Purdue Global partners with the International Association of Fire Fighters (IAFF) to provide members, staff, and immediate family members a significant tuition reduction.

- Bachelor of Science in Fire and Emergency Management
- Master of Science in Homeland Security and Emergency Management
- Master in Public Administration

NATIONALLY RANKED AND RESPECTED

Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by The Wall Street Journal/Times Higher Education.

“I liked the fact that my instructors were so well qualified to teach their topics. They weren’t just regular fire chiefs. They were influential people in our profession that inspired me with their dedication and professionalism: professors are leading experts in their fields who are driven to educate and inspire students.”

Greg Sawyer
BS in Fire Science Graduate
Fire Captain, Contra Costa, CA Local 1230
CAREER AND NETWORKING OPPORTUNITIES

INDUSTRY OUTLOOK

- The field is growing: employment of fire inspectors and investigators is projected to grow faster than the average from 2019 to 2029. Job prospects for firefighters will also be good in that time frame.
- Many departments require a bachelor's degree for positions higher than battalion chief.

CAREER PATHWAYS AND OUTCOMES

Roles
- Firefighter/firefighting manager
- Fire inspector/investigator
- First line supervisor
- Fire safety director
- Fire prevention educator
- Fire protection sales agent
- Deputy or assistant chief
- Fire chief

Settings/Industries
- Fire stations/departments
- Private industry fields such as insurance companies

Note: Additional academy training and education may be required for firefighting or emergency management jobs.

THE CENTER FOR CAREER ADVANCEMENT

Our Career Specialists connect you with job and networking opportunities and offer the following assistance:
- Career assessment/exploration
- Resume and cover letter review
- Interview preparation/mock interviews
- Portfolio development to showcase your skills
- Assistance in building an online presence
- Job search and networking support
- Virtual career fairs
- 24/7 online access to job openings and career development tools

Purdue Global is Accredited by the Higher Learning Commission

The HLC (HLCommission.org) is an institutional accreditation agency recognized by the U.S. Department of Education.

1 Purdue Global does not guarantee transferability of credit from any of these sources. See the University Catalog for Prior Learning Assessment policy.
2 Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.
3 Eligible family members include spouses, domestic partners, parents, siblings, and children. Must be an employee or member of an organization with which Purdue Global has an educational relationship. Contact an Admissions Advisor for details. May not be combined with other Purdue Global tuition reductions or ExcelTrack™ pricing.
4 Purdue Global cannot guarantee employment or career advancement. In addition, job titles and responsibilities may vary from organization to organization.
5 The University cannot guarantee that students will be granted admission to any future programs. Speak to an Advisor about transfer credit opportunities and see the University Catalog for the Prior Learning Assessment policy.
6 The average completion time for Purdue Global online bachelor's degree students who graduated in the 2019-2020 academic year was 2.1 years. Source: Purdue Global Office of Reporting and Analysis, July 2020.
8 This testimonial was obtained by Kaplan University. Purdue University acquired Kaplan University in March 2018 and created Purdue University Global, which is following the same curriculum format and instructional delivery methods as developed and used by Kaplan University.
