Fire Science Programs—Information Related to Prior Learning Credits Transferred into the Program, Student Success Rates in Courses Taken, Capstone Survey Results from Students Completing, and the Number of Graduates for the Program

Prior Learning for 2024–2025 Academic Year

Degree Program	Total Credits Transferred In	Student Count	Average Transfer Credit Per Student
Associate of Applied Science in Fire Science	1,278	67	19
Bachelor of Science in Fire and Emergency Management	4,577	94	49
Bachelor of Science in Fire Science	3,519	65	54
Master of Science in Homeland Security and Emergency Management	20	4	5

Student Success Rate in Classes for 2024–2025 Academic Year

Degree Program	Student Success Rate in Class
Associate of Applied Science in Fire Science	79%
Bachelor of Science in Fire and Emergency Management	91%
Bachelor of Science in Fire Science	90%
Master of Science in Homeland Security and Emergency Management	87%

The student success rate in classes is here defined as the percentage of final grades earned in classes that are passing (i.e., not failing or withdrawal). Only grades earned by matriculated students are included (students who were withdrawn under PG Commitment are excluded).

Prior Learning for 2023–2024 Academic Year

Degree Program	Total Credits Transferred In	Student Count	Average Transfer Credit Per Student
Associate of Applied Science in Fire Science	1,349	69	20
Bachelor of Science in Fire and Emergency Management	5,316	106	50
Bachelor of Science in Fire Science	2,277	53	43
Master of Science in Homeland Security and Emergency Management	15	1	15

Student Success Rate in Classes for 2023–2024 Academic Year

Degree Program	Student Success Rate in Class
Associate of Applied Science in Fire Science	84%
Bachelor of Science in Fire and Emergency Management	91%
Bachelor of Science in Fire Science	90%
Master of Science in Homeland Security and Emergency Management	90%

The student success rate in classes is here defined as the percentage of final grades earned in classes that are passing (i.e., not failing or withdrawal). Only grades earned by matriculated students are included (students who were withdrawn under PG Commitment are excluded).

Prior Learning for 2022–2023 Academic Year

Degree Program	Total Credits Transferred In	Student Count	Average Transfer Credit Per Student
Associate of Applied Science in Fire Science	1,327	62	21
Bachelor of Science in Fire and Emergency Management	6,648	112	59
Bachelor of Science in Fire Science	3,819	75	51
Master of Science in Homeland Security and Emergency Management	5	1	5

Student Success Rate in Classes for 2022–2023 Academic Year

Degree Program	Student Success Rate in Class
Associate of Applied Science in Fire Science	83%
Bachelor of Science in Fire and Emergency Management	90%
Bachelor of Science in Fire Science	89%
Master of Science in Homeland Security and Emergency Management	95%

The student success rate in classes is here defined as the percentage of final grades earned in classes that are passing (i.e., not failing or withdrawal). Only grades earned by matriculated students are included (students who were withdrawn under PG Commitment are excluded).

Prior Learning for 2021–2022 Academic Year

Degree Program	Total Credits Transferred In	Student Count	Average Transfer Credit Per Student
Associate of Applied Science in Fire Science	1,817	89	20
Bachelor of Science in Fire and Emergency Management	9,038	183	49
Bachelor of Science in Fire Science	4,278	104	41
Master of Science in Homeland Security and Emergency Management	5	1	5

Student Success Rate in Classes for 2021–2022 Academic Year

Degree Program	Student Success Rate in Class
Associate of Applied Science in Fire Science	83%
Bachelor of Science in Fire and Emergency Management	88%
Bachelor of Science in Fire Science	89%
Master of Science in Homeland Security and Emergency Management	95%

The student success rate in classes is here defined as the percentage of final grades earned in classes that are passing (i.e., not failing or withdrawal). Only grades earned by matriculated students are included (students who were withdrawn under PG Commitment are excluded).

Prior Learning for 2020–2021 Academic Year
