Complete an optional internship to gain real-world experience and acquire additional knowledge, skills, and abilities specific to your chosen path.³

ACCELERATED MASTER’S DEGREE OPTION
Fast track to your master’s degree. You can complete graduate-level courses as part of your bachelor’s program, shortening your Purdue Global health sciences master’s degree by up to five courses.⁴

FACULTY EXPERTISE
Learn from experienced health care professionals currently active in the field. All of our professors possess advanced academic degrees.

ONE-ON-ONE MENTORING
Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

INTRODUCTORY TRIAL PERIOD
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks before you owe any tuition. That’s the Purdue Global Commitment.⁵

NATIONALLY RANKED AND RESPECTED
Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by The Wall Street Journal/Times Higher Education.⁶

“This program is amazing for working professionals looking for a flexible way to earn their degree. The course format, helpful professors, and resources available allow you to maximize your learning time. Purdue Global is an excellent choice.”

Gavin Witherspoon
Bachelor of Science Health Care Administration Student⁷
CURRICULUM

Our comprehensive curriculum is designed to provide you with a solid foundation in the core disciplines of health care administration and management. The courses are reviewed and revised regularly by industry experts to ensure they reflect the most recent developments in the field.

COURSES INCLUDE:

• Leadership and Ethics in Health Care
• Health Care Policy and Economics
• Information Technology and Systems for Health Care
• Operational Analysis and Quality Improvement
• Organization and Management for Health Care
• Finance for Health Care
• Strategic Planning and Organizational Development for Health Care

Capstone Project
The program culminates in the successful completion of a capstone project, in which you can demonstrate your ability to apply the concepts and skills you study online to real-world scenarios.

PROGRAM OUTCOMES

• Knowledge Base: Demonstrate a sound foundational knowledge and understanding of principles and practice in health care regarding administration, management, law, economics, and policy.
• Research Methods and Critical Thinking Skills: Demonstrate competency in industry-specific knowledge and skills related to research methods, critical thinking, and problem solving in health care settings.
• Interdisciplinary Integration: Apply principles of management needed to work in teams, build cross-functional teams, and facilitate collaborative decision-making.
• Operations: Apply best practices in decision-making within the functional areas of health care management.
• Health Care Administration: Demonstrate an understanding of the forces impacting health delivery systems and the effective and efficient management of health care.
• Ethics and Professionalism: Analyze the professional, ethical, and legal standards of health care administrative practice.

EXCELTRACK™: A FASTER AND MORE AFFORDABLE WAY TO EARN YOUR DEGREE

In addition to our standard online program, we offer ExcelTrack™, which is a personalized, competency-based option that gives you more control over how you learn. Each ExcelTrack™ online course is a single credit, covering a particular skill or piece of knowledge, allowing you to bypass any subjects you already know. This option enables students who have at least 3 years of work experience and 3 prior college courses to earn their bachelor’s degree sooner, at a lower cost.

PROGRAM DETAIL

Credit Hours:

Core: 45
Major: 60
Electives: 75
Total: 180

Program Length:

• Standard online program: 2–4 years
  (With transfer credit and other prior experience, the average completion time for Purdue Global bachelor’s degree graduates in 2019-2020 was 2 years.)
• ExcelTrack™: Self-paced to help you graduate sooner

Course Load:

• Standard online program: 2 courses per term
• ExcelTrack™: As many as you can complete with a “B” or higher on your final assessment

1 ExcelTrack™ is designed to advance your progress based on existing knowledge; however, degree pace and time and cost savings will vary by individual. Students must enroll in a minimum number of credits per term to remain eligible for financial aid. Refer to the Financial Information section of the University Catalog for additional information. Programs may include standard online courses; however, tuition is charged at the ExcelTrack™ rate.

2 Purdue Global does not guarantee transferability of credit. Future transfer credit savings are subject to review and the academic policies of Purdue Global. See the University Catalog for Prior Learning Assessment policy.

3 The student is responsible for identifying and obtaining approval for an appropriate internship in his or her location.

4 The University cannot guarantee that students will be granted admission to any future programs. Speak to an Advisor about admissions requirements and transfer credit opportunities and see the University Catalog for the Prior Learning Assessment policy.

5 No financial obligation beyond the application fee. Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.
