Bachelor of Science in

HEALTH CARE ADMINISTRATION

Come Back and Move Forward as a Health Care Administrator

This is your moment. As the world of health care rapidly evolves, the industry needs professionals with the knowledge and skills to succeed in supervisory positions. Meet the demand for health care management and administration with a bachelor's degree that reflects the latest industry innovations and delivers real-world experience. Develop the administrative, ethical, and leadership skills to build the thriving career you deserve.
Why Study at Purdue Global’s School of Health Sciences?

Built for Working Adults
Complete courses online, without compromising your work or family schedule.

Backed by the Power of Purdue
Earn a degree you can be proud of — and employers will respect. Achieve more in the health care field with a name that opens doors in your career.

Accelerated Degree Options
Get ahead faster with our ExcelTrack® program, which allows you to speed past the subjects you already know and focus on the topics you still need to learn.¹ You can work at your own pace and take as many classes as you want for one flat fee.

Experience Counts as Credit
Transfer up to 75% of your degree requirements to graduate sooner. You can use prior academic, work, and military experience for credit.²

Practical Experience You Can Count On
Complete an optional internship to gain real-world experience and acquire additional knowledge, skills, and abilities specific to your chosen path.³

Bachelor’s-to-Master’s Opportunities
Complete up to five graduate-level courses as part of your bachelor’s program and get a head start on your Purdue Global health sciences master’s degree.⁴

Expert Faculty
Learn from health care and education experts who are practicing professionals in the field. All Health Sciences faculty possess advanced academic degrees.

Personal Support
Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

Introductory Trial Period
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks — before you owe any tuition. That’s the Purdue Global Commitment.⁵

An Education That’s Proven and Respected
Purdue Global is backed by Purdue University. One of the most prestigious universities in the world, Purdue ranked #16 overall and #1 in education among Fast Company magazine’s prestigious World’s Most Innovative Companies.⁶
Curriculum

Our comprehensive curriculum is designed to provide you with a solid foundation in the core disciplines of health care administration and management. The courses are reviewed and revised regularly by industry experts to ensure they reflect the most recent developments in the field.

Courses Include:

- Health Care Administration
- Health Care Ethics, Law, and Governance
- Health Care Leadership
- Human Resources for Health Care Organizations
- Information Systems for Health Care
- Organization and Management for Health Care
- Operational Analysis and Quality Improvement
- Finance for Health Care
- Strategic Planning and Change Management for Health Care

Capstone Project
The program culminates in the successful completion of a capstone project, in which you can demonstrate your ability to apply the concepts and skills you study online to real-world scenarios.

Program Outcomes

- **Knowledge Base:** Demonstrate a sound foundational knowledge and understanding of principles and practice in health care regarding administration, management, law, economics, and policy.
- **Research Methods and Critical Thinking Skills:** Demonstrate competency in industry-specific knowledge and skills related to research methods, critical thinking, and problem solving in health care settings.
- **Interdisciplinary Integration:** Apply principles of management needed to work in teams, build cross-functional teams, and facilitate collaborative decision-making.
- **Operations:** Apply best practices in decision-making within the functional areas of health care management.
- **Health Care Administration:** Demonstrate an understanding of the forces impacting health delivery systems and the effective and efficient management of health care.
- **Ethics and Professionalism:** Analyze the professional, ethical, and legal standards of health care administrative practice.

ExcelTrack®: a Faster and More Affordable Way to Earn Your Degree

In addition to our standard online program, we offer ExcelTrack®, which is a personalized, competency-based option that gives you more control over how you learn. Each ExcelTrack® online course is a single credit, covering a particular skill or piece of knowledge, allowing you to bypass any subjects you already know. This option enables students who have at least 3 years of work experience and 3 prior college courses to earn their bachelor’s degree sooner, at a lower cost.
Career and Networking Opportunities

Industry Outlook

- Employment of health care administrators is projected to grow 28% from 2022 to 2032, much faster than average for all occupations.\(^9\)
- Health care is expected to generate more jobs than any other industry in the coming years, with about 1.8 million new jobs created between 2022 and 2032. Demand for health care services is expected to increase due to an aging population and greater demand for health care services.\(^\text{10}\)

1 ExcelTrack\(^\text{®}\) is designed to advance your progress based on existing knowledge; however, degree pace and time and cost savings will vary by individual. Students must enroll in a minimum number of credits per term to remain eligible for financial aid. Refer to the Financial Information section of the University Catalog for additional information. Programs may include standard online courses; however, tuition is charged at the ExcelTrack\(^\text{®}\) rate.

2 Purdue Global does not guarantee transferability of credit. Future transfer credit savings are subject to review and the academic policies of Purdue Global. See the University Catalog for Prior Learning Assessment policy.

3 The student is responsible for identifying and obtaining approval for an appropriate internship in his or her location.

4 The University cannot guarantee that students will be granted admission to any future programs. Speak to an Advisor about admissions requirements and transfer credit opportunities and see the University Catalog for the Prior Learning Assessment policy.

5 Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.
