PREPARE TO MAKE A REAL DIFFERENCE IN A GROWING FIELD

Helping to improve the quality of people's lives is more than a worthwhile calling—it is a wise and rewarding career decision. Purdue University Global's Bachelor of Science in Health Science helps you develop the foundational knowledge and skills to advance your career in health care or health science. Prepare to apply principles of healthy living to enhance the health and well-being of individuals and communities.
WHY STUDY AT PURDUE GLOBAL’S SCHOOL OF HEALTH SCIENCES?

FLEXIBILITY FOR WORKING ADULTS
Complete your degree 100% online, on your schedule. In addition, you can visit one of our regional locations to take advantage of local, onsite support and services.

TRANSFER CREDITS
Transfer up to 75% of your degree requirements to accelerate completion of your degree and save on tuition.

ACCELERATED MASTER’S DEGREE OPTION
Fast track to your master’s degree. You can complete graduate-level courses as part of your bachelor’s program, shortening your Purdue Global health sciences master’s degree by up to five courses.

FACULTY EXPERTISE
Learn from experienced health care professionals currently active in the field. All professors possess advanced academic degrees.

ONE-ON-ONE MENTORING
Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

INTRODUCTORY TRIAL PERIOD
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks before you owe any tuition. That’s the Purdue Global Commitment.

NATIONALLY RANKED AND RESPECTED
Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by The Wall Street Journal/Times Higher Education.

“There is little in life that is held more precious than the life, health, safety, and wellness of individuals and communities. Through this program, we prepare students with critical knowledge and technical abilities to pursue careers that positively impact the health of individuals and communities.”

Ann Dickerson
MPH, School of Health Sciences Adjunct Faculty\(^6\)
CAREER AND NETWORKING OPPORTUNITIES

INDUSTRY OUTLOOK
- Employment of medical and health services managers as well as health educators is expected to grow much faster than the average for all occupations from 2016 to 2026.
- Health care occupations are projected to add more jobs than any of the other occupational groups, with 2.4 million new jobs expected by 2026. This growth will be fueled mainly by an aging population, leading to greater demand for health care services.

CAREER PATHWAYS AND OUTCOMES
Roles
- Medical and health services manager
- Health educator
- Team leader in a health care setting
- Medical administrator
- Patient coordinator

Settings
- Hospitals
- Private medical offices
- Public health agencies
- Health care centers
