CAREER AND NETWORKING OPPORTUNITIES

INDUSTRY OUTLOOK

• According to the Bureau of Labor Statistics, employment of medical records and health information technicians is projected to grow much faster than the average for all occupations from 2019 to 2029.

• A large aging population will create an increased overall demand for health care services, as well as a need for professionals who can handle the administrative tasks related to billing and insurance processing. The widespread use of electronic health records (EHRs) will also create a demand for managers with knowledge of health information technology.

THE CENTER FOR CAREER ADVANCEMENT

1 The externship provides the student with a supervised onsite learning experience in conjunction with an online course. The student is responsible for identifying an appropriate externship site, submitting all required documentation, and obtaining approval from the appropriate school staff.

2 Purdue Global does not guarantee transferability of credit. Future transfer credit savings are subject to review and the academic policies of Purdue Global. See the University Catalog for Prior Learning Assessment policy.

3 Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.

4 Students are responsible for understanding the requirements of optional certification exams. The University cannot guarantee students will be eligible to sit for or pass exams. In some cases, work experience, additional coursework beyond the Purdue Global program, fieldwork, and/or background checks may be necessary to be eligible to take or to successfully pass the exams.

5 The University cannot guarantee that students will be granted admission to any future programs. Speak to an Advisor about transfer credit opportunities and see the University Catalog for the Prior Learning Assessment policy.

8 Purdue Global cannot guarantee employment or career advancement. Prior experience may be necessary for leadership positions. Additional certification or licensing may be required to work in certain fields.
