1 Kaplan University online bachelor’s degree students who graduated in 2017 and entered their program with eligible transfer credits saved an average of $30,000 toward the total degree. Note: these data were reported prior to the March 2018 purchase of Kaplan University by Purdue University and subsequent creation of Purdue University Global. Campus tuition and transfer credit savings vary by location. Savings based on overall cost of completion without transfer credit. Calculation based on total transfer credit times cost per credit in student’s program of study. Individual savings will vary. Calculation includes campus and military students. Purdue Global does not guarantee transferability of credit. Future transfer credit savings are subject to review and the academic policies of Purdue Global. See University Catalog for the Prior Learning Assessment policy.

2 No financial obligation beyond the application fee. Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduates students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.

4 Students are responsible for understanding the requirements of optional certification exams. The University cannot guarantee students will be eligible to sit for or pass exams. In some cases, work experience, additional coursework beyond the Purdue Global program, fieldwork, and/or background checks may be necessary to be eligible to take or to successfully pass the exams.

5 Purdue Global online bachelor’s degree students who graduated in the 2017–2018 academic year and applied eligible external (transfer, experiential, or credit by exam) credits earned an average of 82 credits or 8 terms toward their total degree. This excludes undergraduate nursing students. Term estimates are based on completion of two 5- or 6-credit courses per term. Individual credits earned will vary.
