1. ExcelTrack™ is designed to advance your progress based on existing knowledge; however, degree pace and time and cost savings will vary by individual. Students must enroll in a minimum number of credits per term to remain eligible for financial aid. Refer to the Financial Information section of the University Catalog for additional information. Programs may include traditional courses; however, tuition is charged at the ExcelTrack™ rate.

2. Purdue Global online bachelor's degree students who graduated in 2019–2020 and applied eligible prior learning (transfer, experiential, or credit by exam) credits saved an average of $30,000 toward the total degree. Campus tuition and prior learning savings vary by location. Savings based on overall cost of completion without prior learning credit. Calculation based on total prior learning credit times standard cost per credit in student’s program of study. Individual savings will vary. Calculation includes campus and military students. Purdue Global does not guarantee transferability of credit. See University Catalog for the Prior Learning Assessment policy. Source: Office of Reporting and Analysis, October 2020. 2019-2020 academic year.

3. No financial obligation. Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.

4. Students are responsible for understanding the requirements of optional certification exams. The University cannot guarantee students will be eligible to sit for or pass exams. In some cases, work experience, additional coursework beyond the Purdue Global program, fieldwork, and/or background checks may be necessary to be eligible to take or to successfully pass the exams.

6. The average completion time for Purdue Global online bachelor’s degree students who graduated in the 2019–2020 academic year was 2.1 years. Source: Purdue Global Office of Reporting and Analysis, July 2020.
