INFORMATION TECHNOLOGY
CERTIFICATE PROGRAMS

You’ve Got a Comeback in You. It Starts With a Respected IT Credential.

Information technology continues to transform the way the world works, from the economy and the workplace to our personal lives. By adding an online certificate to your bachelor’s degree, you can come back stronger, more skilled, and more prepared than ever to take on the complex challenges facing IT today. At Purdue Global, you will develop the critical knowledge and most up-to-date skills to gain a competitive edge in this high-growth industry.
Why Make Your Comeback at Purdue Global?

**Built for Working Adults**
Complete courses online, without compromising your work or family schedule.

**Backed by the Power of Purdue**
Earn a certificate you can be proud of — and one that employers will respect. Achieve more in the technology field with a name that opens doors in your career.

**A Curriculum Made for Career Comebacks**
Earn the degree your career deserves and meet the demand for skilled professionals in growing areas such as information security, cybersecurity, software development, and computers and information technology.

**Practical Experience**
Learn from experienced IT and education experts who are practicing professionals in the field. All faculty possess advanced academic degrees and relevant industry credentials.

**Personal Support**
Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

**Partnership with Google**
Customize your education with quick and affordable learning paths developed in partnership with Google to fit your career goals.

Take the Next Step in Your Education and Career

**Prepare for Certification**
Keep building your credentials — our certificate programs are designed to prepare students for the following professional certification exams:

<table>
<thead>
<tr>
<th>CERTIFICATE PROGRAM</th>
<th>INDUSTRY CREDENTIALS</th>
</tr>
