¹⁶ Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to non-U.S. citizen students. For further information, see the University Catalog.

¹⁸ The University cannot guarantee students will be eligible to sit for or pass exams. In some cases, work experience, additional coursework beyond the Purdue Global program, fieldwork, and/or background checks may be necessary to be eligible to take or to successfully pass the exams.

²⁰ Completion time based on a full-time student with a prior associate’s degree. Programs will take longer for part-time students, students who take leaves of absence or drop and return, and students with a prior diploma/certificate to complete. The number of required credits may vary depending on individual state education requirements, which could affect how long it will take to complete the program. More than 60% of 2019-2020 graduates completed the program in 18 months or less (Source: Purdue Global Office of Reporting and Analysis, July 2020).
