MASTER OF SCIENCE IN NURSING

PREPARE FOR ADVANCED PRACTICE AND NURSING LEADERSHIP ROLES
Nursing is undergoing a radical transformation, with advanced practice nurses taking on greater responsibilities across the health care industry. Purdue University Global’s Master of Science in Nursing builds on your previous nursing education and practical experience, offering you a pathway to leadership and independent practice opportunities. As a graduate, you’ll be prepared to sit for industry certification exams, and be well positioned to pursue a doctoral degree in nursing (DNP).

WHY STUDY ONLINE AT PURDUE GLOBAL’S SCHOOL OF NURSING?

FLEXIBILITY FOR WORKING NURSES
Complete your coursework 100% online, on your schedule. The required clinical and practicum experiences can be done at a location of your choice. Enrollment occurs throughout the year and there are no wait lists.

RIGOROUS, RELEVANT CURRICULUM
We continually refine our curriculum and learning tools to exceed the high standards of both our students and the profession.

FACULTY ARE ACTIVE IN THE FIELD
Learn from practicing professionals with extensive expertise in nursing and education. All graduate faculty possess advanced degrees, and all full-time graduate nursing professors have earned doctorates.

FOCUSED PATHWAYS
Pursue a career path in areas such as: family nurse practitioner, adult-gerontology primary care nurse practitioner, adult-gerontology acute care nurse practitioner, nurse educator, and executive leader.

ONE-ON-ONE MENTORING
Work directly with faculty through online discussion boards and faculty office hours, and enjoy no-cost individual tutoring. Academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.
EARN A VALUABLE NURSING CREDENTIAL TO ADVANCE YOUR CAREER AND EDUCATION

Build Professional Leadership Skills and Expand Expertise

- Organizational and systems leadership
- Quality improvement and safety
- Translating and integrating scholarship into practice
- Informatics and health care technologies

Prepare for Certification

Be ready to pursue industry-recognized certifications in your selected concentration area.¹

Get a Head Start on Your Doctoral Degree

Our Master of Science in Nursing–DNP Path provides a seamless way to earn both degrees. Clinical hours completed in the master's program apply toward your doctorate.

MASTER OF SCIENCE IN NURSING PATHWAYS

We offer several pathways aligned to current industry standards²:

ADULT-GERONTOLOGY ACUTE CARE NURSE PRACTITIONER
Provide direct care for acutely and critically ill patients, which includes accessing, diagnosing, monitoring, treating, and coordinating care.

ADULT-GERONTOLOGY PRIMARY CARE NURSE PRACTITIONER
Promote holistic health care to members of the adult and older adult population through the assessment, diagnosis, and comprehensive treatment of chronic health problems.

FAMILY NURSE PRACTITIONER, PRIMARY CARE
Work with adults or children in family systems to assess, diagnose, and manage their health needs, concerns, and conditions.

EXECUTIVE LEADER
Oversee complex systems and take on systems-focused roles ranging from health facility administration to public health and policy roles.

NURSE EDUCATOR
Teach patients and their families, provide interprofessional staff development programs, evaluate the effectiveness of educational programs, and instruct undergraduate nursing students.

NATIONALLY RANKED AND RESPECTED
Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by The Wall Street Journal/Times Higher Education.²

EARN YOUR MSN AND MBA TOGETHER ONLINE
Our MSN and MBA Dual Degree Option lets you complete both a master's in nursing and a master of business administration simultaneously. Your MSN prepares you for leadership roles in health care; adding an MBA extends your expertise into business management, helping you find advanced business solutions to complex health care problems.

The master’s degree in nursing at Purdue University Global is accredited by the Commission on Collegiate Nursing Education (www.CCNEAccreditation.org).
CURRICULUM

Our curriculum prepares you to fill advanced practice and nursing leadership roles. The courses are updated regularly by industry experts, to ensure they reflect the most recent developments in health care.

CORE COURSES
- Advanced Nursing Roles
- Theoretical Foundations of Advanced Practice Nursing
- Scientific and Analytic Approaches to Advanced Evidence-Based Practice
- Epidemiology and Health Promotion
- Health Policy, Ethical, and Legal Perspectives of the Health Care System
- Promoting Optimal Models and Systems for Health Care Delivery

EXCELRACK™ OPTION
ExcelTrack™ lets you use your professional experience to earn your degree faster and more affordably. Each course is broken down into a single credit, so you can bypass what you already know, and focus on gaining new, relevant skills that you can apply immediately in your career. Note: Our nurse practitioner pathways are not available in ExcelTrack™.
