

EARN YOUR MSN AND MBA TOGETHER ONLINE

Advance Your Leadership Career in Health Care and Beyond

With respected master's credentials in both nursing and business from Purdue University Global, you'll be ready to compete for top management roles in health care and any industry seeking advanced business solutions to complex issues.*

Online MSN and MBA Dual Degree Option

MASTER OF SCIENCE IN NURSING/MASTER OF BUSINESS ADMINISTRATION

Completion Time: As few as 2.5 years[†]

At Purdue Global, you can earn our MSN and MBA together faster than earning them separately. Since the master's degree programs share common core courses, the credits you earn can apply toward both your MSN and MBA, letting you complete both in 88 credits, instead of 120.

All your classes are 100% online, giving you the flexibility your busy schedule demands. However, you must also complete an MSN clinical to gain hands-on experience. Purdue Global will work with you to find convenient locations for your clinical experience. You may also satisfy the requirements where you work.

Prepare for leadership roles in health care and other fields, including:

- Chief Nursing Officer
- Health Care Administrator
- Government Agency Consultant
- Insurance Company Consultant

Master of Science in Nursing (MSN)

Be ready to become a leader in health care. Executive leadership courses focus on the principles of personnel management, policy development and implementation, budgeting, and the use of information technology.

The master's degree in nursing program at Purdue Global is accredited by the Commission on Collegiate Nursing Education (www.CCNEAccreditation.org).

Master of Business Administration (MBA)

Purdue Global's MBA curriculum was created by a select panel of global business professionals, featuring international case studies as well as unique examples.

The MBA has received programmatic accreditation from the Accreditation Council for Business Schools and Programs (ACBSP).

*Purdue Global cannot guarantee employment or career advancement. Prior experience may be necessary for leadership positions.

†Completion time based on a full-time schedule of 17 terms. Program will take longer for part-time students to complete. Students are required to change calendar tracks twice in order to complete the courses required. When this occurs, you may experience a delay of 2 weeks or more between the end of the term and the beginning of the next available term in the alternate calendar.
