Advance Your Education and Your Career

GAIN THE CORE SKILLS AND COMPETENCIES THAT EMPLOYERS DEMAND	TAKE THE NEXT STEP TOWARD A CAREER AS AN I/O PSYCHOLOGIST	GET A HEAD START ON YOUR MASTER'S DEGREE
Build a better workplace. Develop the professional expertise to help organizations improve employee performance, satisfaction, and well-being. Prepare for a wide range of roles in human resources, training, labor relations, recruitment, or workplace productivity.	The demand for industrial/organizational psychologists is projected to continue as organizations need them to help select and retain employees, increase organizational productivity and efficiency, and improve office morale. ⁷ This program prepares you to pursue the master's degree that will be required to launch a career as an I/O psychologist.	Complete your master's degree sooner with a graduate program pathway. It weaves graduate-level courses into your bachelor's program, giving you a jump on your master's degree requirements. You'll save on time and tuition compared with finishing both programs separately. Plus, your degrees don't have to be in the same fields. You can customize your academic journey to support your career goals and interests. To learn more, view the University Catalog or connect with an Advisor. ⁸

- 1 Purdue Global cannot guarantee employment or career advancement. The professional practice of psychology is regulated by each state, and the degree requirements of this program do not guarantee or prepare students for licensure in any state upon graduation. Additional training or certification may be required. In addition, job titles and responsibilities may vary by organization.
- 2 Purdue Global does not guarantee transferability of credit. See the University Catalog for the Prior Learning policy.
- 3 May not be combined with other Purdue Global tuition reductions or ExcelTrack® pricing.
- 4 Purdue Global online bachelor's degree students who graduated in 2021-2022 and applied eligible prior learning (transfer, experiential, or credit by exam) credits saved an average of \$34,000 toward the total degree. Campus tuition and prior learning savings vary by location. Savings based on overall cost of completion without prior learning credit. Calculation based on total prior learning credit times standard cost per credit in student's program of study. Individual savings will vary. Calculation includes campus and military students. - 5 Students who inform Purdue Global they do not wish to pursue the program during the 3-week trial will not be charged. Students who choose to continue at Purdue Global will be billed for the full first term's tuition, including the 3-week trial, and will need to meet other specific requirements. Classes will be applied toward a degree if satisfactorily completed and students select to continue their studies at Purdue Global. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Graduate programs and BS in Professional Flight not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.
