Pursue Your Passion for Helping Those in Need

Many individuals in our communities face the serious psychological issue of addiction. Substance use disorder is often one of the unfortunate results. Addiction professionals are trained to assist these individuals and are committed to helping improve their quality of life.

The Bachelor of Science in Psychology in Addictions is accredited by the National Addiction Studies Accreditation Commission (NASAC). In addition, Purdue University Global is approved as an education provider by NAADAC, the Association for Addiction Professionals. The program meets the coursework requirements to prepare you to take the National Certified Addiction Counselor, Level I and II certification examinations (NCAC I & II).
Why Study Psychology at Purdue University Global?

**ONLINE FLEXIBILITY FOR WORKING ADULTS**
Earn your degree 100% online, on your schedule. You can also visit one of our regional locations to take advantage of local, onsite support and services.

**RELEVANT COURSE TOPICS**
Examine the process of addiction, pharmacology, the recovery process, prevention, and case-management skills. You will also learn ways to guide clients in maintaining their sobriety.

**FACULTY EXPERTISE**
Learn from addiction practitioners with extensive experience in the field. All faculty possess an advanced degree and relevant industry credentials.

**AFFORDABLE TUITION**
Lower the cost of your education with military tuition reductions, employer reimbursement options, transfer credit, and more. Our average bachelor’s graduate saves 50% on tuition with credit for prior learning.

**TRANSFER CREDIT**
Apply transfer credit toward up to 75% of your degree.

**ONE-ON-ONE MENTORING**
Work directly with faculty via online discussion boards and during faculty office hours, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

**INTRODUCTORY TRIAL PERIOD**
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks before you owe any tuition. That’s the Purdue Global Commitment.

Take the Next Step in Your Career and Education

</table>
| Taking the right courses in the right degree program could contribute to your job marketability and career success. The program prepares you for careers in clinical and educational settings or for positions in addictions treatment programs. You’ll have the opportunity to develop and use psychological skills, think critically, and evaluate behavior and mental processes. Learn to identify the risk factors for substance abuse and investigate prevention, evaluation, and treatment strategies. | Your degree includes the coursework requirements for eligibility to take the NCAC, Level I and II certification examinations. Graduates must meet additional license and field experience requirements to qualify. | Our accelerated degree option allows you to complete graduate-level courses as part of your undergraduate degree, shortening your path to the following Purdue Global graduate degrees:  
- Master of Public Administration  
- Master of Science in Educational Psychology  
- Master of Science in Human Services  
- Master of Science in Legal Studies  
- Master of Science in Psychology |
Curriculum

Courses are reviewed and revised continually by industry experts to ensure they reflect the latest developments in the field of addictions. The curriculum emphasizes real-world skills such as communication, global awareness, information and technology, and the application of psychological principles. It is designed to equip you with a fundamental understanding of the major concepts, values, theories, psychological studies, research methods, and historical trends in psychology as they apply to:

- Addiction science
- Assessment
- Prevention
- Intervention
- Treatment
- Case management

1 The University cannot guarantee students will be eligible to sit for or pass exams. Refer to www.NAADAC.org for full eligibility requirements.
2 May not be combined with other Purdue Global tuition reductions or ExcelTrack™ pricing.
3 Purdue Global online bachelor’s degree students who graduated in 2020-2021 and applied eligible prior learning (transfer, experiential, or credit by exam) credits saved an average of $34,500 toward the total degree. Campus tuition and prior learning savings vary by location. Savings based on overall cost of completion without prior learning credit. Calculation based on total prior learning credit times standard cost per credit in student’s program of study. Individual savings will vary. Calculation includes campus and military students. Purdue Global does not guarantee transferability of credit. See University Catalog for the Prior Learning Assessment policy. Source: Office of Reporting and Analysis, September 2021. 2020-2021 academic year.
4 Purdue Global does not guarantee transferability of credit. Future transfer credit savings are subject to review and the academic policies of Purdue Global. See University Catalog for the Prior Learning Assessment policy.
5 No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Graduate programs not included. For further information, see the University Catalog.
