

Bachelor of Science in **PSYCHOLOGY**

Come Back Stronger, Ready for a Rewarding Career in Psychology

This is your time. Your moment. With a psychology degree from Purdue Global, you'll gain the knowledge, skills, and attributes that employers want, and clients need.¹ Learn to leverage the scientific approach to problem solving to evaluate behavior and mental processes while applying psychological principles to personal, social, and organizational issues. If you're interested in advancing into a more specialized career, our program also prepares you for graduate work in psychology.

Why Study Psychology at Purdue Global?

Built for Working Adults

Complete courses online, without compromising your work or family schedule.

Backed by the Power of Purdue

Earn a degree you can be proud of — and one that employers will respect. Achieve more in the psychology field with a name that opens doors in your career.

Your Experience Counts as College Credit

It's time to get the recognition you deserve. Transfer up to 75% of your degree requirements to graduate sooner and save on tuition.²

Affordable Tuition

You can lower the cost of your education through military tuition reductions, employer reimbursement options, transfer credit, and more.² Our average bachelor's graduate saves 50% on tuition with credit for prior learning.³ You're worth the investment.

Expert Faculty

Learn from psychology practitioners with the real-world experience to know what it takes to advance in the field. All faculty possess advanced academic degrees and relevant industry credentials.

Personal Support

Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

Introductory Trial Period

Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks — before you owe any tuition. That's the Purdue Global Commitment.⁴

Nationally Ranked and Respected

Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by *The Wall Street Journal/Times Higher Education*.⁵

Advance Your Education and Your Career

Various Career Paths

Prepare for career opportunities in various fields where you may implement your psychological knowledge, skills, and values.

You will learn how to:

- Apply basic methodology in psychology including research design, data analysis, and the interpretation of findings.
- Use analytical thinking, skeptical inquiry, and the scientific approach to solve problems related to behavior and mental processes.
- Apply the psychological principles, theories, and concepts to personal, social, and organizational issues and problems.
- Gain the knowledge of the major concepts, theoretical perspectives, enduring conflicts, empirical findings, and historical trends in psychology.

ACCELERATED MASTER'S DEGREE OPTION

Complete both your bachelor's and master's degrees in less time and at a lower cost than completing both programs separately. While you earn your bachelor's degree, you can work toward a Purdue Global master's degree in one of the following areas⁶:

- | | |
|--|---------------------------------------|
| ▪ Applied Behavior Analysis | ▪ Human Services |
| ▪ Criminal Justice | ▪ Instructional Design and Technology |
| ▪ Education | ▪ Legal Studies |
| ▪ Educational Psychology | ▪ Psychology |
| ▪ Higher Education | ▪ Public Administration |
| ▪ Homeland Security and Emergency Management | |

Curriculum

The coursework will help you develop and use psychological skills, critical thinking, and the scientific approach to problem solving to evaluate behavior and mental processes within personal, social, and organizational settings.

Psychology Course Topics Include:

- Introduction to Psychology
- Neuroscience
- Introduction to Cognitive Psychology
- Child and Adolescent Psychology

IMPORTANT INFORMATION: PLEASE READ

¹ Purdue Global does not guarantee employment placement or career advancement. Actual outcomes vary by geographic area, previous work experience and opportunities for employment.

The professional practice of psychology is regulated by each state, and the degree requirements of this program do not guarantee or prepare students for licensure in any state upon graduation.

² Purdue Global does not guarantee transferability of credit. See the University Catalog for the Prior Learning policy.

³ Purdue Global online bachelor's degree students who graduated in 2021–2022 and applied eligible prior learning (transfer, experiential, or credit by exam) credits saved an average of \$34,000 toward the total degree. Campus tuition and prior learning savings vary by location. Savings based on overall cost of completion without prior learning credit. Calculation based on total prior learning credit times standard cost per credit in student's program of study. Individual savings will vary. Calculation includes campus and military students. Purdue Global does not guarantee transferability of credit. See University Catalog for the Prior Learning policy. Source: Office of Reporting and Analysis, July 2022. 2021–2022 academic year.

⁴ Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.
