BACHELOR OF SCIENCE IN

PSYCHOLOGY

LAUNCH YOUR CAREER IN PSYCHOLOGY

Gain the psychological knowledge, skills, and values to make you a desirable candidate in various fields. The BS in Psychology is designed to help you develop and use psychological skills, critical thinking, and the scientific approach to problem solving to evaluate behavior and mental processes while applying psychological principles to personal, social, and organizational issues. Additionally, this program will prepare you for graduate work to pursue more specialized careers in psychology.
Why Study Psychology at Purdue University Global?

ONLINE FLEXIBILITY FOR WORKING ADULTS
Complete your coursework 100% online, on your schedule. You can also visit one of our regional locations to take advantage of local, onsite support and services.

TRANSFER CREDITS
Transfer up to 75% of your degree requirements to accelerate completion of your degree and save on tuition.²

AFFORDABLE TUITION
Lower the cost of your education through military tuition reductions, employer reimbursement options, transfer credit, and more. Our average bachelor’s graduate saves 50% on tuition with credit for prior learning.³

FACULTY EXPERTISE
Learn from psychology practitioners with extensive experience in the field and in higher education. All faculty possess advanced academic degrees and relevant industry credentials.

ONE-ON-ONE MENTORING
Work directly with faculty through online discussion boards and faculty office hours, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

INTRODUCTORY TRIAL PERIOD
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks before you owe any tuition. That’s the Purdue Global Commitment.⁴

Advance Your Education and Your Career

BUILD A PATHWAY TO A MASTER’S DEGREE
Get a head start on a future degree. Once you earn your bachelor’s degree you can transfer it directly into your Purdue Global Master of Science in Psychology program with our accelerated master’s option.⁵ You can also choose from other master’s programs such as educational psychology, human services, legal studies, or public administration.

VARIOUS CAREER PATHS
Prepare for career opportunities in various fields where you may implement your psychological knowledge, skills, and values.

You will learn how to:
- Apply basic methodology in psychology including research design, data analysis, and the interpretation of findings.
- Use analytical thinking, skeptical inquiry, and the scientific approach to solve problems related to behavior and mental processes.
- Apply the psychological principles, theories, and concepts to personal, social, and organizational issues and problems.
- Gain the knowledge of the major concepts, theoretical perspectives, enduring conflicts, and empirical findings, and historical trends in psychology.

NATIONALLY RANKED AND RESPECTED
Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by The Wall Street Journal/Times Higher Education.⁶
