- Postgraduate Certificate in Applied Behavior Analysis

# Why Study Psychology or Applied Behavior Analysis at Purdue Global?

## **Built for Working Adults**

Complete courses online, without compromising your work or family schedule.<sup>3</sup>

## **Backed by the Power of Purdue**

Earn a certificate you can be proud of — and one that employers will respect. Achieve more in the psychology or applied behavior analysis field with a name that opens doors in your career.

## **Personal Support**

Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

## Curriculum

Courses are reviewed and revised continually to reflect the latest developments in the field of psychology. Certificates include:

### **Applied Behavior Analysis Postbaccalaureate Certificate (41 credits)**

#### **Study what motivates human behavior.**

Draw upon foundational principles in the field of applied behavior analysis to provide assessments, design behavior intervention plans, and evaluate the effectiveness of treatment of children and adults with special needs. Prepare to sit for the Board Certified Assistant Behavior Analyst examination.<sup>5</sup>

The Association for Behavior Analysis International has verified the following courses toward the coursework requirements for eligibility to take the Board Certified Assistant Behavior Analyst® (BCaBA®) examination (via Pathway 2). Applicants will need to meet additional Behavior Analyst Certification Board® (BACB®) eligibility requirements, including evidence of residency in an authorized country, before they can be deemed eligible to take the examination.

- PS225 Ethics in Applied Behavior Analysis
- PS340 Exceptional Needs Children
- PS360 Applied Behavior Analysis I
- PS365 Applied Behavior Analysis II
- PS385 Targeted Topics in Applied Behavior Analysis
- PS410 Screening and Assessment
- PS430 Program Design and Evaluation

Please refer to the BACB's website for full eligibility requirements ([www.bacb.com](http://www.bacb.com)).

Refer to [Catalog.PurdueGlobal.edu](http://Catalog.PurdueGlobal.edu) for complete prerequisite information.

## **Career Focused Curriculum**

Come back with the experience you need. Study how to develop effective treatments and use critical-thinking skills to evaluate and diagnose the behavior and mental processes of patients, or help analyze, understand, and address workplace issues.

## **Expert Faculty With Real-World Experience**

Learn from psychology, applied behavior analysis, and education experts who are practicing professionals in the field. All graduate and postgraduate faculty possess doctorate degrees and relevant industry credentials.

## **Introductory Trial Period**

Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks — before you owe any tuition. That's the Purdue Global Commitment.<sup>4</sup>

### **Postgraduate Certificate in Applied Behavior Analysis (35 credits)<sup>6</sup>**

#### **Expand your knowledge of behavioral disabilities.**

Critically evaluate behavioral concepts and theories in the assessment and application of intervention plans used in the treatment of children and adults with autism, developmental disabilities, and traumatic brain injuries. Prepare to sit for the Board Certified Behavior Analyst examination.<sup>5</sup>

The Association for Behavior Analysis International has verified the following courses toward the coursework requirements for eligibility to take the Board Certified Behavior Analyst® (BCBA®) examination (via Pathway 2). Applicants will need to meet additional Behavior Analyst Certification Board® (BACB®) eligibility requirements, including evidence of residency in an authorized country, before they can be deemed eligible to take the examination.

- PS507 Ethics for Behavior Analysts
- PS558 Behaviorism and Philosophical Foundations of Applied Behavior Analysis
- PS560 Principles of Applied Behavior Analysis
- PS561 Concepts of Measurement and Experimental Designs
- PS562 Assessment in Applied Behavior Analysis
- PS563 Implementing Procedures for Behavior Change
- PS564 Clinical Applications, Supervision, and Management

Please refer to the BACB's website for full eligibility requirements ([www.bacb.com](http://www.bacb.com)).

*Prerequisite: Graduate degree (e.g., master's or doctoral)*

## Program Detail

**Program Length:** 8–12 months of full-time study, depending on certificate

**Course Load:** 2 courses per term

- Master of Science in Educational Psychology
- Bachelor of Science in Psychology in Addictions
- Bachelor of Science in Psychology in Applied Behavior Analysis
- Bachelor of Science in Psychology in Industrial/Organizational Psychology

# Career and Networking Opportunities

## Industry Outlook

### Help Others in Need

- Employment in the field of psychology is expected to grow faster than average from 2022 to 2032.<sup>7</sup>
- Employment of substance abuse, behavioral disorder, and mental health counselors is expected to increase much faster than average during the same period, as people continue to seek addiction and mental health counseling.<sup>8</sup>

## Career Pathways and Outcomes

### Applied Behavior Analysis Postbaccalaureate Certificate

#### › Board Certified Assistant Behavior Analyst® (BCaBA®)<sup>10\*</sup>

- Work to reduce problem behavior
- Improve patient performance in settings such as group homes, clinics, corporations, and nonprofits
- Develop intervention and treatment plans
- Work as a consultant

### Industrial/Organizational Psychology Roles

- Apply psychological principles to the workplace to solve problems or improve quality of work life
- Apply research and knowledge to improve the well-being and performance of people and their employers

### Apply Psychological Principles to the Business World

- Given the growing focus on maintaining employee satisfaction and engagement to improve outcomes and productivity, HR specialists who understand the principles of I/O psychology will be needed.
- Employment of human resources specialists is projected to grow faster than average between 2022 and 2023.<sup>9</sup>

- Analyze and provide recommendations on workplace productivity, management or employee working styles, and morale
- Work with management on policy planning, employee screening or training, organizational development, or recruitment
- Promote productive worker attitudes and behaviors
- Apply job motivation initiatives and help companies and their workforce through organizational change

<sup>10</sup>To become certified, you will have to meet additional requirements and must pass the comprehensive exam.

### IMPORTANT INFORMATION: PLEASE READ

1 Purdue Global does not guarantee employment placement or career advancement. Actual outcomes vary by geographic area, previous work experience and opportunities for employment.

2 The University cannot guarantee that students will be granted admission to any future programs.

3 Some Purdue Global programs are not 100% online; some programs require you to gain hands-on experience in a real-world work environment. Contact an Admissions Advisor for additional information.

4 Students who inform Purdue Global they do not wish to pursue the program during the 3-week trial will not be charged. Students who choose to continue at Purdue Global will be billed for the full first term's tuition, including the 3-week trial, and will need to meet other specific requirements. Classes will be applied toward a degree if satisfactorily completed and students select to continue their studies at Purdue Global. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Graduate programs and BS in Professional Flight not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.

5 The certificate programs meet certification requirements for the BACB examinations in specific states. Refer to [Licensure.PurdueGlobal.edu](https://Licensure.PurdueGlobal.edu) for state-specific information. The University cannot guarantee students will be eligible to sit for or pass exams.

The professional practice of psychology is regulated by each state, and the degree requirements of Purdue Global's programs do not guarantee or prepare you for licensure in any state upon graduation.

6 It is important to understand that the requirements for behavior analysts vary by state and can change with little to no warning. Students seeking employment as a behavior analyst should inquire directly to the jurisdiction where employment is desired, as some states require additional licensure or certification. The BACB U.S. state licensure requirements may be viewed at the following link: <https://www.bacb.com/u-s-licensure-of-behavior-analysts/>. The Postgraduate Certificate in Applied Behavior Analysis meets the educational requirements to sit for the Board Certified Behavior Analyst exam that is required for the Behavior Specialist certification in Pennsylvania. Additional educational requirements for certification may be required in Pennsylvania.
