Bachelor of Science in

PSYCHOLOGY

Come Back Stronger, Ready for a Rewarding Career in Psychology

This is your time. Your moment. With a psychology degree from Purdue Global, you’ll gain the knowledge, skills, and attributes that employers want, and clients need. Learn to leverage the scientific approach to problem solving to evaluate behavior and mental processes while applying psychological principles to personal, social, and organizational issues. If you’re interested in advancing into a more specialized career, our program also prepares you for graduate work in psychology.
Purdue Global | Bachelor of Science in Psychology

**Why Study Psychology at Purdue Global?**

**Built for Working Adults**
Complete courses online, without compromising your work or family schedule.

**Backed by the Power of Purdue**
Earn a degree you can be proud of — and one that employers will respect. Achieve more in the psychology field with a name that opens doors in your career.

**Your Experience Counts as College Credit**
It’s time to get the recognition you deserve. Transfer up to 75% of your degree requirements to graduate sooner and save on tuition.

**Affordable Tuition**
You can lower the cost of your education through military tuition reductions, employer reimbursement options, transfer credit, and more. Our average bachelor’s graduate saves 50% on tuition with credit for prior learning. You’re worth the investment.

**Expert Faculty**
Learn from psychology practitioners with the real-world experience to know what it takes to advance in the field. All faculty possess advanced academic degrees and relevant industry credentials.

**Personal Support**
Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

**Introductory Trial Period**
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks — before you owe any tuition. That’s the Purdue Global Commitment.

**Nationally Ranked and Respected**
Purdue Global is part of the respected Purdue University system. One of the most prestigious research universities in the world, Purdue University is ranked in the top 10 best public universities in the U.S. by *The Wall Street Journal/Times Higher Education*.

**Advance Your Education and Your Career**

**Various Career Paths**
Prepare for career opportunities in various fields where you may implement your psychological knowledge, skills, and values.

You will learn how to:
- Apply basic methodology in psychology including research design, data analysis, and the interpretation of findings.
- Use analytical thinking, skeptical inquiry, and the scientific approach to solve problems related to behavior and mental processes.
- Apply the psychological principles, theories, and concepts to personal, social, and organizational issues and problems.
- Gain the knowledge of the major concepts, theoretical perspectives, enduring conflicts, empirical findings, and historical trends in psychology.

**ACCELERATED MASTER’S DEGREE OPTION**
Complete both your bachelor’s and master’s degrees in less time and at a lower cost than completing both programs separately. While you earn your bachelor’s degree, you can work toward a Purdue Global master’s degree in one of the following areas:
- Applied Behavior Analysis
- Criminal Justice
- Education
- Educational Psychology
- Higher Education
- Homeland Security and Emergency Management
- Human Services
- Instructional Design and Technology
- Legal Studies
- Psychology
- Public Administration
Curriculum

The coursework will help you develop and use psychological skills, critical thinking, and the scientific approach to problem solving to evaluate behavior and mental processes within personal, social, and organizational settings.
