PURSUE YOUR PASSION FOR HELPING THOSE IN NEED

Many individuals in our communities face the serious psychological issue of addiction. Substance use disorder is often one of the unfortunate results. Addiction professionals are trained to assist these individuals and are committed to helping improve their quality of life.

The Bachelor of Science in Psychology in Addictions is accredited by the National Addiction Studies Accreditation Commission (NASAC). In addition, Purdue University Global is approved as an education provider by NAADAC, the Association for Addiction Professionals. The program meets the coursework requirements to prepare you to take the National Certified Addiction Counselor, Level I and II certification examinations (NCAC I & II).
WHY STUDY PSYCHOLOGY AT PURDUE UNIVERSITY GLOBAL?

ONLINE FLEXIBILITY FOR WORKING ADULTS
Earn your degree 100% online, on your schedule. You can also visit one of our regional locations to take advantage of local, onsite support and services.

RELEVANT COURSE TOPICS
Examine the process of addiction, pharmacology, the recovery process, prevention, and case-management skills. You will also learn ways to guide clients in maintaining their sobriety.

FACULTY EXPERTISE
Learn from addiction practitioners with extensive experience in the field. All professors possess an advanced degree and relevant industry credentials.

AFFORDABLE TUITION
Lower the cost of your education with military tuition reductions, employer reimbursement options, transfer credit, and more. Our average bachelor’s graduate saves 44% on tuition with credit for prior learning.

TRANSFER CREDIT
Apply transfer credit toward up to 75% of your degree.

ONE-ON-ONE MENTORING
Work directly with faculty via online discussion boards and during faculty office hours, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

INTRODUCTORY TRIAL PERIOD
Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks before you owe any tuition. That’s the Purdue Global Commitment.

TAKE THE NEXT STEP IN YOUR CAREER AND EDUCATION

The program is accredited by the National Addiction Studies Accreditation Commission (NASAC).

EMPOWER PEOPLE. DRIVE CHANGE.

The College of Social and Behavioral Sciences offers a wide breadth of graduate and undergraduate academic programs designed to develop professionals, leaders, and change agents in fields that make a difference in response to human and societal causes, issues, and needs. Our programs are designed for people with a passion for making an impact in the lives of children, individuals with special needs, organizations, and communities.

"The College of Social and Behavioral Sciences degree programs are created to meet the unique needs of students. Whether students are interested in the flexibility of creating their own degree plan, applying previously earned college credit to earn their degree faster, or starting a degree from the beginning, the College of Social and Behavioral Sciences focuses on the needs of adult students in pursuing their educational, career, and personal goals."

Sara Sander, PhD
Dean and Vice President, College of Social and Behavioral Sciences

ADDITIONAL PROGRAMS

- Bachelor of Science in Human Services in Youth/Family Services and Administration
- Bachelor of Science in Psychology in Applied Behavior Analysis
- Master of Science in Psychology
- Graduate Certificate in Addictions
CAREER AND NETWORKING OPPORTUNITIES

INDUSTRY OUTLOOK
According to a 2017 report by the Substance Abuse and Mental Health Services Administration, in the previous year:

- 20.1 million Americans aged 12 or older were classified with a substance use disorder
- 1.8 million people misused opioids

As more people require addiction services, employment is projected to grow much faster than average for substance abuse and mental health social workers and counselors.
