3 Purdue Global online bachelor's degree students who graduated in 2021-2022 and applied eligible prior learning (transfer, experiential, or credit by exam) credits saved an average of \$34,000 toward the total degree. Campus tuition and prior learning savings vary by location. Savings based on overall cost of completion without prior learning credit. Calculation based on total prior learning credit times standard cost per credit in student's program of study. Individual savings will vary. Calculation includes campus and military students. 4 Students who inform Purdue Global they do not wish to pursue the program during the 3-week trial will not be charged. Students who choose to continue at Purdue Global will be billed for the full first term's tuition, including the 3-week trial, and will need to meet other specific requirements. Classes will be applied toward a degree if satisfactorily completed and students select to continue their studies at Purdue Global. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Graduate programs and BS in Professional Flight not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.

6 The Association for Behavior Analysis International (ABAI) has verified the course sequence of this program toward the coursework requirements for eligibility to take the Board Certified Assistant Behavior Analyst® examination. The program meets certification requirements for the BCaBA® examination in specific states. Refer to Purdue Global's State Licensure and Certifications page for state-specific requirements. The University cannot guarantee students will be eligible to sit for or pass exams. Applicants will need to meet additional requirements before they can be deemed eligible to take the examination. Refer to the BACB's website (www.BACB.com) for additional licensure requirements. The professional practice of psychology is regulated by each state, and the degree requirements of this program do not guarantee or prepare students for licensure in any state upon graduation.

7 Estimated graduation date is based on the assumption that you will enroll in time to begin classes on the next upcoming start date, will remain enrolled for each consecutive term, and will maintain satisfactory academic standing in each term to progress toward completion of your program. Completion time is based on a full-time schedule. Programs will take longer for part-time students to complete. To start a Graduate Program Pathway, students should consult with their Student Advisor to confirm eligibility. Not all Graduate Program Pathways are available on all tracks, and some may require students to meet academic standards to continue taking graduate courses in their bachelor's degree program. Visit the University Catalog for more information.
