

Transfer Credit Pathway: Army 68P (Skill Level 10 to Skill Level 30)

Stackable Option: Associate of Science in Health Science to Bachelor of Science in Health Science

Purdue Global's PME2Degree program is designed to maximize your military training to help you earn a degree faster. The comprehensive nature of our MOS reviews ensures that the knowledge and training you need to earn a degree are achieved either in military service or in your degree plan.

This transfer credit pathway details how common core training and your military occupation translate into credit toward a Purdue Global degree.

With all likely training considered, a 68P (Skill Level 10) can receive **55 credits** toward the Associate of Science in Health Science. A 68P who has completed the Purdue Global associate's degree and has progressed to Skill Level 30 can receive **129 credits** toward a Bachelor of Science in Health Science and earn a degree in **9 courses**.

Associate of Science in Health Science Summary

Total Credits Required	90
Total Credits Fulfilled	55
Total Credits Remaining	35

Estimated Courses Remaining: 7

Degree Requirements

Transfer credit from prior institutions, credit by examination, or experiential learning could further increase the number of credits you may be eligible to receive.

Core Coursework Credits Required: 45

Open Elective Coursework Credits Fulfilled: 87

Note: This audit is an unofficial evaluation that includes an estimation of credits that may be available for transfer. Transfer credit estimations are not guaranteed. All transfer credits are subject to verification through the official post-enrollment transcript evaluation process.

All coursework must be listed with a grade higher than a "D+" to be eligible for transfer toward undergraduate programs. Lower-level (100/200-level) coursework cannot fulfill upper-level (300/400-level) requirements. All health science major coursework must have been completed within the past 10 years in order to be eligible for transfer.
