Note: This audit is an unofficial evaluation that includes an estimation of credits that may be available for transfer. Transfer credit estimations are not guaranteed. All transfer credits are subject to verification through the official post-enrollment transcript evaluation process.

All coursework must be listed with a grade higher than a "D+" to be eligible for transfer toward undergraduate programs. Lower-level (100/200-level) coursework cannot fulfill upper-level (300/400-level) requirements. All health science major coursework must have been completed within the past 10 years in order to be eligible for transfer.
