

2018–2019 Verification Worksheet Dependent Student

Your 2018–2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents.

If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

Please carefully read ALL instructions for each section PRIOR to completing each section. Any manual edits to this form must be confirmed with initials and a date next to each edit.

C. Dependent Student's Income Information to Be Verified

1. TAX RETURN FILERS—Important Note: If you, the student, filed or will file an amended 2016 IRS tax return, you must contact your financial aid administrator before completing this section.

Instructions: Complete this section if you, the student, filed or will file a 2016 income tax return with the IRS. The best way to verify income is by using the IRS Data Retrieval Tool that is part of the FAFSA on the Web. In most cases, no further documentation is needed to verify 2016 IRS income tax return information that was transferred into the student's FAFSA using the IRS Data Retrieval Tool if that information was not changed.

If you have not already used the tool, go to FAFSA.gov, log in to your FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2016 IRS income tax information into your FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool, see your financial aid administrator.
