This fee is waived for spouses and dependents (with military benefits) of U.S. military servicemembers and veterans, employees of preselected corporations and postsecondary institutions with which Purdue Global has an educational relationship, Indiana residents, and preapproved student groups. Application fees are not charged to U.S. military servicemembers.

ExcelTrack: Students enrolled in ExcelTrack programs are required to pay an \$500.00 tuition deposit at the time of enrollment, which will be applied toward the first term's tuition. This deposit is refundable if students cancel their enrollment or if they are cancelled by the University for not opting in to a term during the first week.

POLICIES

1. Books and other instructional materials are estimated at \$50.00 to \$250.00 per course. They are not included in the cost of tuition; some courses may require students to purchase additional course materials from another source.
2. U.S. military servicemembers are not eligible for Purdue Global scholarships, tuition vouchers, or discounts. Military spouses may be eligible for a 10% reduction on standard graduate program tuition.
3. Indiana residents are not eligible for additional tuition reductions including reductions due to their employers' affiliation with Purdue Global.
4. Not all programs are available in all states. Check with an Admissions Advisor.
5. Tuition and fees are subject to change after 30 days' advance notice. See the current University Catalog/Addendum for an explanation of the Refund Policy.
6. Tuition is payable in full every term. Tuition payments can be made at the following website: <https://paymentcenter.purdueglobal.com/>.
7. Students who take courses offered by other programs within the University may be charged a different tuition rate than that for their program of study.
8. Full-time status in a graduate program is defined as 8 credit hours per term and in a nonstandard graduate program (MBA/MSA/MSF/MSIT/MSCM/MSM/MAT/MSE/MSIDT/MSHE) as 4 credit hours per term. MBA, MSA, MSIT, MSCM, MSF, MSM, graduate criminal justice and fire science, and all School of Education programs (with the exception of the Master of Science in Educational Psychology) terms are 6 weeks; all other terms are 10 weeks.
9. Failure to return library or instructional materials to Purdue Global or any of its partner libraries and resource centers will result in a financial obligation to Purdue Global and may result in postponement of registration for a new term or graduation. Instructional materials must be returned unused within 14 days from the date the student notifies the University of cancellation of enrollment. The student will be responsible for payment of any bill received for instructional materials not returned.
10. Students outside the United States or U.S. Territories will be responsible for the cost and the shipment of instructional materials including returns and payment of customs duties or fees.

In some cases, a student's graduate degree may also be acceptable. By the last day of the first term, students must provide the University with an official copy of the transcript. If an official transcript is not submitted by the last day of the first term, the student will be withdrawn from the University and blocked from reentry, and the student's academic credentials will be withheld until such documentation is provided. Furthermore, all Title IV financial aid or any state or institutional funding must be refunded to the appropriate source, and the student will be responsible for payment of these funds to the original source or to Purdue Global.
12. Cancellation of Enrollment Agreement: Three-Day Cancellation—An applicant who provides written notice of cancellation within three days (excluding Saturday, Sunday, and federal and state holidays) of signing an Enrollment Agreement is entitled to a refund of all monies paid.

California Residents

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the Fund STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.
To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.
8. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However; no claim can be paid to any student without a social security number or a taxpayer identification number.
