Indianapolis, Online, Learning Centers - Graduation Rates

Cohort Period
09/01/12 to 08/31/13

A Graduation Rate calculation is based on a group of students who did not attend another college or university prior to attending Purdue University Global. These students enrolled from September 1, 2012 - August 31, 2013 and completed their program within 150% of the program’s length. In addition, certain students are excluded from the rate above in accordance with National Center for Education Statistics (NCES) guidelines.

For example: A student enrolled in the 48 month Bachelor’s Degree Program Graduated within 72 months.

The chart below reflects a breakdown of the percentage of students, students contained in the graduation rate calculation, by:

- Gender,
- Race/ethnicity,
- Federal grant recipients
- Subsidized federal loan recipients who did not receive federal grants
- Non-federal aid recipients (students who did not receive a subsidized federal loan or federal grant)
