Parent PLUS Increase Award Request Form

I, (Parent Borrower Name) _____, acknowledge that the process of increasing loans for an academic year has been explained to me and I fully understand and wish to move forward. If at any time I choose to revoke the election made below I may do so by submitting a Parent PLUS Decrease Award Request Form. I understand that loans cannot be added in excess of Title IV eligibility and that they cannot exceed cost of attendance. I am also aware and understand that these Title IV funds will not be available once the academic year ends.

This selection is to adjust the Parent PLUS Loan that was previously offered and processed. Please note that the adjustment will be made on an individual basis depending on the approval amount of Parent PLUS credit decision. The request will be completed based on the current credit decision available at StudentLoans.gov. If the requested amount exceeds the approved amount, the parent will be required to revise/resubmit the application at StudentLoans.gov. Choose only the section that applies to your request.

Section I

___ I request to have the maximum amount of loans added to my account based upon my eligibility for the current academic year.

Section II

___ I request that loans be awarded in the amount of \$ _____ for the current academic year.

Note: If there is a credit (from the Parent PLUS loan) on the student's account after tuition and fees are paid, those funds will be sent to you either within 14 days or at the end of the loan period, depending on the selection you made on your Credit Balance Statement. However, you always have the option of sending funds to your lender to decrease your loan debt. A borrower may prepay all or part of a federal student loan at any time without penalty.
