
Student Acknowledgement of Eligibility for Returning Student Relief Grant

Purdue Global has developed the Returning Student Relief Grant to assist students in completing their educational goals. Upon successful completion of the first academic term after re-enrolling under the Returning Student Relief Grant program, the Grant will be used by the University to waive the outstanding debt (up to a maximum of \$4,500) owed directly to Purdue Global from a prior enrollment. Title IV loans are excluded; you are still responsible for repayment of any student loans you may have received.

PROVISIONS FOR RETURNING STUDENT RELIEF GRANT

Students receiving the Returning Student Relief Grant are not required to apply for any external financial aid (e.g., federal student aid), and may apply for federal financial aid by completing a Free Application for Federal Student Aid (FAFSA) and may apply for any other state, local, or private loans or grants. Purdue Global encourages students to consider carefully the impact of incurring any unnecessary debt.
